Llama Llama holidays. Jingle music. Lights ablaze. How long till that special date? Llama Llama has to wait. If there's one thing Llama Llama doesn't like, it's waiting. He and Mama Llama rush around, shopping for presents, baking cookies, decorating the tree . . . but how long is it until Christmas? Will it ever come? Finally, Llama Llama just can't wait any more! It takes a cuddle from Mama Llama to remind him that "Gifts are nice, but there's another: The true gift is, we have each other."

The difference between the rich and the poor is information. One has the information that will advance him in life and the other does not have it. Sometimes, the difference between the great and the small is knowledge. There is a saying that: " " A man's mountain is his ignorance". " " WHO ARE YOU? It is a very important question; it is like asking for your identity card. Ignorance about who you are could put you in untold hardship. "

The newest baby and toddler cookbook from America's Test Kitchen Kids, creators of the #1 New York Times Bestseller, The Complete Cookbook for Young Chefs! Being a new parent usually means an overload of information on how to keep your baby healthy and happy. But what information should we trust as parents? America's Test Kitchen, with their years of expertise and their tried-and-true testing methods, has opened their test kitchens for the first time ever to include the youngest of foodies: babies and toddlers! This baby food book is the perfect choice for parents looking to dive into the world of baby food recipes and cooking toddler food! From purees to smoothies to family meals that everyone can enjoy, this cookbook includes the very best (kitchen-tested!) recipes to get you through the early years. Whether you're looking for ways to introduce your child to solid foods or engage kids in the kitchen, this is the essential cookbook young families need.

100 Reasons Why Sex Must Wait Until Marriage Sex is a mystery and unfortunately majority of those who engage in it do not fully understand the mystery behind it. The only thing most people understand about it is the pleasure derived from it and the procreation that can result from it. Many do not understand that when sex is not done within the scripturally prescribed confines of marriage, the temporary pleasure derived can lead to eternal pressure. In this book, Dr. Olukoya has taken time to unlock some of the mysteries of sex. Considerable attention has been given to the after-effects of premarital sex to show why you should wait until marriage before engaging in it. Steps are listed on how you can stay pure and avoid sex until marriage. Sex outside marriage is a killer and it has successfully destroyed millions of destinies. Do not let yours be next!

Masterful and macabre short fiction from the New York Times—bestselling author of Swan Song. Father John has lived his whole life without knowing a woman ' s touch. Hard at first, his self-denial grew easier over time, as he learned to master his urges with a regimen of prayer, cold showers, and jigsaw puzzles. That changed the day that Debra Rocks entered his confessional. A rough-talking adult film actress, she has come to ask him to pray for a murdered costar. Her cinnamon perfume infects Father John, and after she departs he becomes obsessed. Around the corner from his church is a neon-lit alley of sin. He goes there hoping to save her life before he damns himself. That is " Blue World, " the novella that anchors this collection of chilling stories by Robert R. McCammon. Although monsters, demons, and murderers fill these pages, in McCammon ' s world the most terrifying landscape of all is the barren wasteland of a lost man ' s soul.

A severely burned teenager. A guitar. Punk rock. The chords of a rock 'n' roll road trip in a coming-of-age novel that is a must-read story about finding your place in the world . . . even if you carry scars inside and out. In attempting to describe himself in his college application essay—to "help us to become acquainted with you beyond your courses, grades, and test scores"—Harbinger (Harry) Jones goes way beyond the 250-word limit and gives a full account of his life. The first defining moment: the day the neighborhood goons tied him to a tree during a lightning storm when he was 8 years old, and the tree was struck and caught fire. Harry was badly burned and has had to live with the physical and emotional scars, reactions from strangers, bullying, and loneliness that instantly became his everyday reality. The second defining moment: the day in eighth grade when the handsome, charismatic Johnny rescued him from the bullies and then made the startling suggestion that they start a band together. Harry discovered that playing music transported him out of his nightmare of a world, and he finally had something that compelled people to look beyond his physical appearance. Harry's description of his life in his essay is both humorous and heart-wrenching. He had a steeper road to climb than the average kid, but he ends up learning something about personal power, friendship, first love, and how to fit in the world. While he's looking back at the moments that have shaped his life, most of this story takes place while Harry is in high school and the summer after he graduates.
