like his grandpa, who died serving his country. Right now, though, he just wants to outsmart—and outrun—the rival cross country team, the Palmetto Bugs. But then the tragedy of September 11 happens. It ' s quickly discovered that one of the hijackers lived nearby, making Jake ' s Florida town an FBI hot spot. Two days later, the tragedy becomes even more personal when Jake ' s best friend, Sam Madina, is pummeled for being an Arab Muslim by their bully classmate, Bobby. According to Jake ' s personal code of conduct, anyone who beats up your best friend is due for a butt kicking, and so Jake goes after Bobby. But soon after, Sam ' s father is detained by the FBI and Jake ' s mom doubts the innocence of Sam ' s family, forcing Jake to choose between his best

friend and his parents. When Jake finds out that Sam ' s been keeping secrets, too, he doesn ' t know who his allies are anymore. But the final blow comes when his grandpa ' s real past is revealed to Jake. Suddenly, everything he ever knew to be true feels like one big lie. In the end, he must decide: either walk away from Sam and the revenge that Bobby has planned, or become the hero he ' s always aspired to be. A gripping and intensely touching debut middle grade novel by Kerry O ' Malley Cerra, *Just a Drop of Water* brings the events of September 11, which shook the world, into the lens of a young boy who is desperately trying to understand the ramifications of this life-altering event. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a

broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Economy Today, Canadian Edition, is more concise and somewhat less analytical and mathematical than other first year texts. In some respects, it is better suited to the modern undergraduate. It does a better job of explaining some of the key issues without the cost of lengthy exposition. One of the main strengths of The Micro Economy Today is the way it connects theory and "real world" issues. The application to theory makes it easy for students to understand, especially at the college level. Students should be more inclined to read this text.

Martin Luther King, Jr., prepared for the Birmingham campaign in early 1963, he drafted the final sermons for *Strength to Love*, a volume of his most well known homilies. King had begun working on the sermons during a fortnight in jail in July 1962. While behind bars, he spent uninterrupted time preparing the drafts for works such as “ Loving Your Enemies ” and “ Shattered Dreams, ” and he continued to edit the volume after his release. *Strength to Love* includes these classic sermons selected by Dr. King. Collectively they present King ’ s fusion of Christian teachings and social consciousness and promote his prescient vision of love as a social and political force for change.
