Classroom teachers, counselors, coaches, and administrators will find 37 practical, easy-to-use lesson plans to empower teens with the strategies and skills they need to handle bullying situations. The lessons can be blended into existing curricula or taught as stand-alone activities. As part of a positive behavior support model, counselors, mentors and others who work with at-risk students can use the lessons to supplement secondary intervention efforts. Topics include how to identify the players (bullies, bystanders, and victims), how to respond to bullying in common areas (hallways and parking lots) and at school events (dances and athletic

of us who experienced something awful growing up, he finds them. Though they may not be what he expected. When the author was eleven, he was bullied. This book is loosely based on incidents that happened to him in sixth grade. The Bully Book is a Top Ten Indie Next List pick of 2013, and Publishers Weekly called The Bully Book a "gripping debut novel."

Following on the success of her first book *The Bully in the Book and in the Classroom*, C. J. Bott has written this sequel to help those who work with children and young adults become familiar with books that address the problem of bullying. *More Bullies in More Books* presents over 350 annotated titles, from picture books to high school books,

dealing with bullying. Chapters address specific bullying behaviors or problems: name calling, putdowns, and gossip; being new and different; body image; cliques, groups, and gangs; 'isms;' homophobia; cyberspace; and violence. Each chapter begins with an introduction that describes the harassment seen most often in each grade level and contains relevant books at all reading levels. Every entry features an in-depth summary, activities, and quotes from the book for students to discuss. An important resource about a real and harmful problem, this book will be of interest to teachers, librarians, counselors, administrators, and parents.
