Updated information on the Companies Act of South Africa. New case studies show how theory can be applied to business scenarios.

How can you be an ethical corporate citizen in an increasingly complex, multiple-stakeholder world? This is the most pressing question facing businesses today, small and large, local and global. Business Ethics is a thorough yet accessible exploration of the main ethical theories and how these apply to the major stakeholders facing

Get Free Business Ethics 4th Edition

this question. Written from a truly international perspective and supported by diverse and innovative learning features, this book provides the tools and concepts necessary to understand and effectively manage ethical challenges wherever you are in the world. 'Key Concepts' and 'Think Theory' boxes ensure the essential ideas are straightforward to grasp but don't go unchallenged, while 'Ethics in Action' boxes and Case Studies illustrate these ideas at play in the working world. Step into the shoes of a decision-maker with 'Ethical Dilemma' boxes and hear from them first

hand with new 'Practitioner Spotlight' boxes, which feature fascinating insights from real-life practitioners on how they manage ethical decisions and what skills they consider to be crucial to success. The fourth edition offers a wealth of new cases and examples as well as updates of favourites from previous editions, including features on AirBnB, TOMS, and McDonalds. Bespoke video interviews with the practitioners from the book and new multiple-choice questions enhance the online resources for students, while workshop and flipped classroom activity ideas

ability to argue business ethics matters. A proven resource, the second edition of this text continues to present a successful blend of concrete issues and academic theory, suitable for undergraduate and postgraduate students with or without practical experience of the world of organisations. It gives as much importance to individual conscience at work as it does to socially responsible behaviour at the corporate level and within the global business world. Hallmark features: Broad coverage of the many issues in this subject ensures that students see the whole

picture. The use of real-world case studies and simulations helps to stimulate debate and appreciate the multi-faceted aspects of ethical arguments. New to this edition: New material on the ethics of e-communication, sustainability and the ethical impact of globalisation ensures that students are learning from the most up-to-date material available. Further analysis of Anglo-American approaches to corporate governance and their ethical underpinnings. Short test and assignment questions at the end of each chapter help students to consolidate their learning.

Trent University.

"This textbook provides a comprehensive, yet accessible introduction to the ethical issues arising in business" -- Preface.

Filled with real-world case studies and examples of ethical dilemmas, Understanding Business Ethics, Third Edition prepares students and managers alike to make ethical decisions in today's

Get Free Business Ethics 4th Edition

complex, global environment. Bestselling authors Peter A. Stanwick and Sarah D. Stanwick explain the fundamental importance of ethical leadership, decision making, and strategic planning while examining emerging trends in business ethics such as the developing world, human rights, environmental sustainability, and technology. In addition to presenting information related to the Association to Advance Collegiate Schools of Business (AACSB), the text's 26 real-world cases profile a variety of industries, countries, and ethical issues in a way that

Get Free Business Ethics 4th Edition

is relevant and meaningful to students' lives. The Third Edition features new cases from well-known companies such as Disney and General Motors, new coverage of emerging topics such as big data and social media, expanded coverage of corporate social responsibility, and more. Using an applied approach, this text helps students understand why and how business ethics really do matter!

Combining readings and case studies, this text asserts that business ethics is primarily about the ethics of individuals and

Get Free Business Ethics 4th Edition

challenges students to reconcile their personal value systems with standard business practice. With a unique focus on the personal dimension of ethics, this is a practical overview of the ethical issues students are most likely to face in the workforce.

The third edition of this book introduces business ethics concepts, tools and theories, then applies them to key stakeholder groups. It takes a global approach in a market dominated by US texts. The accessible style and thorough pedagogy ensure the book is both student- and teacher-friendly.

Since its inception, *An Introduction to Business Ethics* by Joseph DesJardins has been a cutting-edge resource for the business ethics course. Desjardins' unique multidisciplinary approach offers critical analysis and integrates the perspective of philosophy with management, law, economics, and public policy, providing a clear, concise, yet reasonably comprehensive introductory survey of the ethical choices available to us in business.
