Known for its solid conceptual framework, Madura's best-selling FINANCIAL MARKETS AND INSTITUTIONS, 12e, explains why financial markets exist, how financial institutions serve these markets, and what services those institutions offer. Focusing on the management, performance, and regulatory aspects of financial institutions, it explores the functions of the Federal Reserve System, the major debt and equity security markets, and derivative security markets. In addition to the latest research, timely examples, and updates on regulatory reform, the 12th edition includes expanded coverage of behavioral finance concepts, high-frequency trading, pension fund underfunding problems and implications, and much more. Critical Thinking Questions, Flow of Funds Exercises, Internet Exercises, and online research assignments help readers put what they learn into practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Financial Markets and Institutions, 5e offers a unique analysis of the risks faced by investors and savers interacting through financial institutions and financial markets, as well as strategies that can be adopted for controlling and managing risks. Special emphasis is put on new areas of operations in financial markets and institutions such as asset securitization, off-balance-sheet activities, and globalization of financial services.

Gain a clear understanding of why financial markets exist, how financial institutions serve these markets, and what services those institutions offer with the proven conceptual framework and clear presentation in Madura's best-selling FINANCIAL MARKETS AND INSTITUTIONS 11E. The text weaves timely examples and practical applications throughout as it emphasizes the securities traded by and the scope of participation of financial institutions within each market. Readers focus on the management, performance, and regulatory aspects of financial institutions and explore the functions of the Federal Reserve System, the major debt and equity security markets, and the derivative security market. This text emphasizes current financial reform with updates throughout that provide a thorough understanding of today's most recent financial changes, developments and trends. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Develop a clear understanding of why financial markets exist, how financial institutions serve these markets, and what services those institutions offer with Madura's best-selling FINANCIAL MARKETS AND INSTITUTIONS, 13E. Packed with today's real examples and practical applications, this engaging edition clarifies the management, performance, and regulatory aspects of financial institutions. You explore the functions of the Federal Reserve and its recent changes, major debt and equity security markets, and the derivative security markets. Expanded coverage now discusses stock valuation, market microstructure strategies, and liquidity in today's financial markets. In addition, new content examines current venture capital funds, private equity funds, and crowdfunding. Real examples connect concepts to financial trends with exercises specifically developed to strengthen your critical thinking and help you put theory into practice. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Help students understand why financial markets exist, how financial institutions serve these markets, and what services those institutions offer with the solid conceptual framework in this best-selling finance text. Madura's leading FINANCIAL INSTITUTIONS AND MARKETS, 10E, International Edition emphasizes securities traded by financial institutions and the scope of participation of those financial institutions within each market. This edition also focuses on the management, performance, and regulatory aspects of financial institutions and explores the functions of the Federal Reserve System, the major debt and equity security markets, and derivative security market. This edition places significant emphasis on current financial reform as updates throughout reflect the most recent financial changes, developments and trends in today's financial industry.Known for a solid, reader-friendly approach, author Jeff Madura blends a clear writing and contemporary coverage with hands-on learning applications such as Point/Counterpoint, "Using the Wall Street Journal," and new online research assignments. Timely examples further connect concepts to today's developments and financial trends. Each new copy of this edition includes a discount for Stock-Trak Global Portfolio Simulations Gold Service, the online trading simulation created specifically for classrooms worldwide that enables students to buy and sell stocks, bonds, mutual funds, options, future options, and more using hypothetical brokerage accounts.

Combining depth of theory with practical applications, Madura's best-selling INTERNATIONAL FINANCIAL MANAGEMENT ABRIDGED, 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. With its signature reader-friendly style and clear explanations, the text introduces international finance with a focus on the important role of modern multinational corporations in global commerce. It discusses a wide range of managerial topics using a strong corporate perspective. Emphasizing the most recent financial changes and industry trends, the Twelfth Edition highlights financial reform and its impact on international finance today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Personal Finance's highly interactive approach, engaging style, and lively page design captures students' attention as they learn how to incorporate each important concept into their own financial planning. Students will leave the course with a ready-to-implement financial plan and the tools and knowledge they need to effectively manage their own personal finances.

A readable, useful discussion of the rewards -- and hazards -- of offshore investing for institutional portfolio managers and other investment professionals.
