disposition and a knack for getting into dangerous scrapes in pursuit of the perfect shot. Luke thinks Josie's too young, too sweet to be despoiled by the rough life and hard-bitten land he loves. But independent Josie won't let any man—however commanding—decide what's best for her. Beneath their playful banter is a powerful current of lust—pure, but not so simple. If only Luke weren't so damned proper, he'd see that the years between them don't matter a whit, not when a single touch can set them both ablaze. Josie's hell-bent on having it all, and that includes keeping Luke in the picture...unless the vengeful bandits on their trail find them first.
