(Piano/Vocal/Guitar Artist Songbook). A melodic singing/songwriting duo from New York City, A Great Big World burst onto the scene in 2013 with their uber-successful duet "Say Something" featuring Christina Aguilera. Their 2014 debut album peaked at #3 on the Billboard 200 Album charts, and this matching songbook presents all 12 of its songs arranged for piano and voice with guitar chords: Already Home * Cheer Up! * I Really Want It * Land of Opportunity * Say Something * This Is the New Year * and more.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

Chart topping-and headline-making-rap artist Eminem shares his private reflections, drawings, handwritten lyrics, and photographs in his New York Times bestseller *The Way I Am*. Fiercely intelligent, relentlessly provocative, and prodigiously gifted, Eminem is known as much for his enigmatic persona as for being the fastest-selling rap artist and the first rapper to ever win an Oscar. Everyone wants to know what Eminem is really like-after the curtains go down. In *The Way I Am*, Eminem writes candidly, about how he sees the world. About family and friends; about hip-hop and rap battles and his searing rhymes; about the conflicts and challenges that have made him who he is today. Illustrated with more than 200 full-color and black-and-white photographs-including family snapshots and personal Polaroids, it is a visual self-portrait that spans the rapper's entire life and career, from his early childhood in Missouri to the basement home studio he records in today, from Detroit's famous Hip Hop Shop to sold-out arenas around the globe. Readers who have wondered at Em's intricate, eye-opening rhyme patterns can also see, first-hand, the way his mind works in dozens of reproductions of his original lyric sheets, written in pen, on hotel stationary, on whatever scrap of paper was at hand. These lyric sheets, published for the first time here, show uncut genius at work. Taking readers deep inside his creative process, Eminem reckons with the way that chaos and controversy have fueled his music and helped to give birth to some of his most famous songs (including "Stan," "Without Me," and "Lose Yourself"). Providing a personal tour of Eminem's creative process, *The Way I Am* has been hailed as "fascinating," "compelling," and "candid."

(Piano/Vocal/Guitar Artist Songbook). Incorporating many musical genres, *Born This Way* is the second studio CD by the phenomenal Lady Gaga. The title track is the fastest-selling song in iTunes history, with more than a million downloads worldwide within the first five days of its release. The PVG folio from Hal Leonard includes "Born This Way" and 13 more: *Americano* * *Bad Kids* * *Bloody Mary* * *The Edge of Glory* * *Electric Chapel* * *Government Hooker* * *Hair* * *Heavy Metal Lover* * *Highway Unicorn (Road to Love)* * *Judas* * *Marry the Night* * *Scheisse* * *You and I*.

Tito Santana's new in-depth autobiography will bring you everything you ever wanted in a wrestling autobiography about wrestling's most famous golden age Latino wrestler. This book will cover the man who Minnesota's Governor Jesse Ventura called "Chico Santana," with a comprehensive & historical look at his life in and out of the ring.

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? *Switched on Pop* is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In

1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary culture, most discourse only revolves around lyrics and celebrity. *Switched on Pop* gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, *Switched on Pop* brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in *Switched on Pop*.

If you love food and enjoy to the art of preparing dishes with seasonal produce, then this is the cook book for you. *A Celebration of Spring* is dedicated to the way we are eating right now, and features recipes for traditional and innovative dishes based on regional cooking found in the Southern United States and influenced by the global cuisines of Africa, Asia Europe and South America. The available material in English discussing Latin American anarchism tends to be fragmentary, country-specific, or focused on single individuals. This new translation of Ángel Cappelletti's wide-ranging, country-by-country historical overview of anarchism's social and political achievements in fourteen Latin American nations is the first book-length regional history ever published in English. With a foreword by the translator. Ángel J. Cappelletti (1927–1995) was an Argentinian philosopher who taught at Simon Bolivar University in Venezuela. He is the author of over forty works primarily investigating philosophy and anarchism. Gabriel Palmer-Fernandez is Distinguished Professor of Philosophy and Religious Studies at Youngstown State University.

This history of Venezuelan politics from below tells how militants, students, women, Afro-indigeneous peoples, and the working-class brought about Venezuela's Bolivarian Revolution and, ultimately, brought Hugo Chávez to power.
