### Carry On, Jeeves

Benedict Cumberbatch plays a British artist who found love, both human and feline, and became famous as the man who drew cats. By Manohla Dargis Liz Garbus's new documentary is about the life of ...

My Man Jeeves' is a collection of short stories by P. G. Wodehouse. It was first published in the United Kingdom in 1919. Of the eight stories in the collection, half feature the popular characters Jeeves and Bertie Wooster, while the others concern Reggie Pepper, an early prototype for Wooster.

A Jeeves and Wooster collectionThese marvellous stories introduce us to Jeeves, whose first ever duty is to cure Bertie's ranging hangover ('If you drink this, sir- it is a little preparation of my own invention. It is the Worcester Sauce that gives it its colour. The raw egg makes it nutritious. The red pepper gives it its bite. Gentleman have told me they have found it extremely invigorating after a late evening.')

And from that moment, one of the funniest, sharpest and most touching partnerships in English literature never looks back...

This Top Five Classics edition of Carry On, Jeeves by P.G. Wodehouse includes: • All 10 short stories from the 1925 edition of Carry On, Jeeves • More than 35 illustrations as they were originally published in the Strand • An informative introduction and detailed author bio The Jeeves & Wooster stories by P.G. Wodehouse, which comprise 35 short stories and 11 novels written from 1915 to 1974, have become iconic and represent the finest work of one of the greatest humorists in the English language. This edition of Carry On, Jeeves, which includes the first meeting between Bertie and Jeeves ("Jeeves Takes Charge") and the only story in the canon narrated by Jeeves ("Bertie Changes His Mind"), is a great place to start for anyone wanting to explore the hilarious world of the affable but dim-witted Bertie Wooster and his gentleman's gentleman, the infinitely resourceful and utterly unflappable Jeeves.

In this humorous take on English manners, the paragon of British gentlemanly virtues leaps to the aid

of his bumbling batchelor boss on numerous occasions.

In this, the second novel in P.G. Wodehouse's delightful Jeeves series, the family fumbles through a comedy of errors that is set in motion by a marriage proposal and a downward spiral of miscommunication and crossed wires. This hilarious novel contains many of the most beloved scenes and set pieces from the series. A must-read for Wodehouse fans and lovers of top-notch humor writing.

A Jeeves and Wooster Omnibus 'Jeeves knows his place, and it is between the covers of a book.' This is an omnibus of wonderful Jeeves and Wooster stories, specially selected and introduced by Wodehouse himself, who was struck by the size of his selection and described it as almost the ideal paperweight. As he wrote: 'I find it curious, now that I have written so much about him, to recall how softly and undramatically Jeeves first entered my little world. Characteristically, he did not thrust himself forward. On that occasion, he spoke just two lines. The first was: "Mrs Gregson to see you, sir." The second: "Very good, sir, which suit will you wear?" It was only some time later that the man's qualities dawned upon me. I still blush to think of the off-hand way I treated him at our first encounter...'. This omnibus contains Carry On, Jeeves, The Inimitable Jeeves, Very Good, Jeeves and the short stories 'Jeeves Makes an Omelette' and 'Jeeves and the Greasy Bird'.

"P. G. Wodehouse wrote the best English comic novels of the century." –Sebastian Faulks  
Bertram Wooster's interminable banjolele playing has driven Jeeves, his otherwise steadfast gentleman's gentleman, to give notice. The foppish aristocrat cannot survive for long without his Shakespeare-quoting and problem-solving valet, however, and after a narrowly escaped forced marriage, a cottage fire, and a great butter theft, the celebrated literary odd couple are happy to return to the way things were.
