Make the most of your trip with The Rough Guide to Romania.

Thoughts, Ideas, Reminders, Lists to do, Planning, Funny Bride-to-Be or Engagement Gift

Love don ' t cost a thing... except everything. When billionaire mogul James Preston hires an escort as a date for his brother ' s wedding, he knows he ' s taking a risk. One thing he won ' t be taking? The escort ' s clothes off. He just wants a date—not a girlfriend. Not a relationship. No strings. No ties. No games. No sex. He has his reasons. He lost someone he loved, and isn ' t interested in trying again. Too many opportunities for mistakes or worse, heartbreak. Audrey Reynolds became a high-end escort to keep her brother in his expensive group home. James Preston is the client of her dreams—he ' s offering to pay her more money for two weeks than she ' s ever made before. But James is... difficult. He ' s gorgeous, troubled and all too human for Audrey's business-like tastes. Determined to complete her assignment and collect the money, Audrey tries to play by James ' s rules. But before she knows what's happening, he's rewriting the contract. When Audrey ends up in James ' s bed, he realizes that she ' s everything he ' s wanted... and everything he ' s been running from.

In AD 8 Ovid's brilliant career was abruptly ruined when the Emperor Augustus banished him, for reasons never satisfactorily explained, to Tomis (Constanta) on the Black Sea. The five books of Tristia (Sorrows) express his reaction to this savage and, as he clearly regarded it, unjust sentence. Though their ostensible theme is the misery and loneliness of exile, their real message, if they are read with the care they deserve, is one of affirmation. With a wit and irony that borders on defiance, Ovid repeatedly asserts the injustice of his sentence and of the preeminence of the eternal values of poetry over the ephemeral dictates of an earthly power. In technical skill and inventiveness these elegies rank with the Art of Love or the Fasti. For this new translation Alan Melville has reproduced, in rhyming stanzas, the virtuosity, wit, and elegance of the original.

It was the late 50s and the Communist regime of Romania was at its most punitively unforgiving when Matei Calinescu, who had just graduated form the University of Bucharest, conceived of Zacharias Lichter. "I must create a myth," he jotted in his diary, "and become its hero--that's my ideal ... A Judeo-German metaphysician, descended as if from the XVIIIth century (or that's how he likes to think of himself) who talks about responsibility, about a dialogue of purity with God, about perplexity facing the void." In the following years, Zacharias Lichter, madman, fool, philosopher, and the weirdest of rebels without a cause would come to life in Calinescu's fictional account of his life and opinions, a book written for his private amusement since he assumed the censors would never permit its publication. He was wrong about that, however. The censors were completely oblivious to the subversive humor and intent of his book, which became a cult classic. Miecee Cartarescu wrote in 2011 "In his novel The Life and Opinions of Zacharias Lichter, Matei Calinescu imagined, in a visionary manner a social system whose inhabitants were either thieves or beggars. Thieves would steal from beggars and beggars would seek aims from thieves. How did you know, Matei, that we would get to become that very society in such a short time?" The Life and Opinions of Zacharias Lichterpaints an unforgettable picture of a free man in a false world.

This volume gathers together thirty of the most recognized international architects and presents current architectural trends in multi-housing design. The projects included showcase new e-structures and ideas and are illustrated in high quality photographs showing the outside, common areas and private interior spaces of the buildings. A selection of plans and sketches together with a clear descriptive text analyze the projects in detail.
