Hawthorne derisively condemns Boston's Puritan citizens throughout the novel, but here in Chapter 5 his criticism is especially sharp. The very community members most appalled by Hester's past conduct favor her sewing skills, but they deem their demand for her work almost as charity, as if they are doing her the favor in having her sew garments for them.

The Scarlet Letter study guide contains a biography of Nathaniel Hawthorne, literature essays, a complete e-text, quiz questions, major themes, characters, and a full summary and analysis.

The Scarlet Letter is a work of historical fiction by American author Nathaniel Hawthorne, published in 1850.Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. The book explores themes of legalism, sin, and guilt.

Follows the experiences of the authors, three friends who grew up in impoverished families in Newark, New Jersey, and who supported one another in their dreams of becoming doctors in spite of tremendous disadvantages.

The Ambitious Guest (+Biographie et Bibliographie) (Glossy Cover Finish): One September night a family had gathered round their hearth, and piled it high with the driftwood of mountain streams, the dry cones of the pine, and the splintered ruins of great trees that had come crashing down the precipice. Up the chimney roared the fire, and brightened the room with its broad blaze. The faces of the father and mother had a sober gladness; the children laughed; the eldest daughter was the image of Happiness at seventeen; and the aged grandmother who sat knitting in the warmest place, was the image of Happiness grown old.

"The Wives of the Dead (From: "The Snow Image and Other Twice-Told Tales")" by Nathaniel Hawthorne. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten/or yet undiscovered gems/of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

"Ethan Brand-A Chapter from an Abortive Romance" is a short story written by Nathaniel Hawthorne in 1850 and first published by Ticknor, Reed, and Fields in 1852 in The Snow-Image, and Other Twice-Told Tales, the author's final collection of short stories.

A gripping tale of secret sin and ruthless revenge.

The critically acclaimed, award-winning, modern classic Speak is now a stunning graphic novel. "Speak up for yourself!we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless/an outcast!because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. Through her work on an art project, she is finally able to face what really happened that night: She was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. With powerful illustrations by Emily Carroll, Laurie Halse Anderson's Speak: The Graphic Novel comes alive for new audiences and fans of the classic novel. This title has Common Core connections.

There is a certain church, in the city of New York which I have always regarded with peculiar interest on account of a marriage there solemnized under very singular circumstances in my grandmother's girlhood. That venerable lady chanced to be a spectator of the scene, and ever after made it her favorite narrative. Whether the edifice now standing on the same site be the identical one to which she referred I am not antiquarian enough to know, nor would it be worth while to correct myself, perhaps, of an agreeable error by reading the date of its erection on the tablet over the door. It is a stately church surrounded by an enclosure of the loveliest green, within which appear urns, pillars, obelisks, and other forms of monumental marble, the tributes of private affection or more splendid memorials of historic dust. With such a place, though the tumult of the city rolls beneath its tower, one would be willing to connect some legendary interest.

Roger Chillingworth, an aging scholar, returns to Puritan Boston and finds a crowd gathered to witness an official punishment. He spots a young woman holding a baby, whom he recognises as his wife, Hester Prynne, standing on the platform. Hester has been found guilty of [the most sinful act]. She refuses to reveal the father of her child and so, is ordered to wear the scarlet letter [A] for the rest of her life as a mark of shame.Hester accepts her punishment and struggles to create a new life for her daughter Pearl. For the next seven years, she endures the accusing stares of the society, but holds her head high through the trials and tribulations. Reverend Dimmesdale, Hester's pastor is the only person,who empathises with her. Meanwhile, Roger Chillingworth is full of vengeance and determined to exact revenge from Hester's lover.The Scarlet Letter tells the tale of Roger Chillingworth, Hester Prynneand Arthur Dimmesdale as they struggle with their internal conflicts in the morally rigid 17th century society.
