songbook displays each song along with chord progressions, lyrics, and vocal melody lines. This is a great setup for sing-alongs because the lyrics are written in a large font so that multiple singers and musicians can read along. This course also includes access to audio tracks to help you learn and practice. We have included three different recordings of each song. The first version features just the piano playing the melody line. The second version has the piano playing along with other instruments. The last recording features the other instruments with no piano so
