Short, insightful essays by one of Brazil's most beloved writers.

In *The Color of Modernity*, Barbara Weinstein focuses on race, gender, and regionalism in the formation of national identities in Brazil; this focus allows her to explore how uneven patterns of economic

development are consolidated and understood. Organized around two principal episodes—the 1932 Constitutionalist Revolution and 1954 ' s IV Centen á rio, the quadricentennial of S ã o Paulo ' s founding—this book shows how both elites and popular sectors in S ã o Paulo embraced a regional identity that

Online Library Cinema

by drought and poverty, came to represent backwardness and São Paulo 's racial " Other. " This view of regional difference, Weinstein argues, led to development policies that exacerbated these inequalities and impeded democratization.

The Carandiru House of Detention, in the

teeming city of S ã o Paulo, was the largest and most crowded prison in Latin America. Known as the 'Old House', it was also highly unusual in the way it was governed. Closed to the outside world, and even largely to the wardens, it was run almost entirely by the inmates themselves, who created a unique society complete with politics, hierarchies

and a system of justice. In 1989, at the height of the AIDS epidemic in Brazil, with only a handful of physicians attempting to treat an inmate population of over 7,000, the medical situation at Carandiru was dire. A city doctor, Drauzio Varella, volunteered his time at Carandiru over the course of thirteen years, in an effort to combat the rampant

Brazil disease. As he gained the inmates' trust he was given access to their society, where he was overwhelmed by the profound humanity and freedom of spirit shown by these men, despite their terrible crimes and the inhuman conditions in which they lived. Lockdown is Varella's powerful depiction of life on the inside, wherein he recounts the
