The first textbook on Commonwealth Caribbean Contract law for undergraduate and sixth form students, Commonwealth Caribbean Contract Law is a new and unrivalled resource on the subject. This textbook utilises Caribbean Case Law and Statutory provisions to provide a clear and immersive path into the study of contract law from a Caribbean perspective. Encompassing topics that include misrepresentation, privity, and remedies, this book expertly introduces and explains the many aspects of contract law in the Caribbean. Written by a well-established textbook author and professor of law at Mona Campus, the textbook comprehensively covers all key principles of contractual obligations studied by undergraduate students, and is relevant to practitioners in a modern and accessible way. An invaluable reference, this book is essential reading for those with an academic or professional interest in contract law.
