Conn Iggulden is one of the most successful authors of historical fiction writing today. His two number one bestselling series, on Julius Caesar and on the Mongol Khans of Central Asia, describe the founding of the greatest empires of their day. Conn Iggulden lives in Hertfordshire with his wife and their children.

Wolf of the Plains (Conqueror): 1: Amazon.co.uk: Iggulden ...

Wolf of the Plains is a historical novel from English author Conn Iggulden. It is the first book in the Conqueror series based on the Mongols of the Asian steppes. It is titled Genghis: Birth of an Empire in the United States. After completing the Emperor series on the life of Julius Caesar, Iggulden began research for his next series of books, based on the life of Mongol warlord Genghis Khan. In the author's note of the book, Iggulden explains he traveled to rural Mongolia during his research.

Wolf of the Plains on Apple Books - Apple - Apple

Conn Iggulden is the master of Historical Fiction - if you have not experienced his Ghengis Khan series, you ' re missing out on one of the best historical fiction series out there. Stephen Thorne is a reasonable narrator, a bit clipped and formal at times, but still engaging. My big issue with this audiobook is the ending.

A remarkable story of heroism and adventure, of a boy who had to become a man too soon, of a family and a tribe who had to learn to win to survive. A man without a tribe was at great risk, so the young boy abandoned with his siblings on the harsh Mongolian plains had to struggle to avoid death. He survived both starvation and hostile attacks by learning remarkable leadership skills and gathering a group of outsiders like himself. Hunted and alone, he dreamed of uniting the tribes into one house, one nation. He became a great warrior. He would become father to his people. He would be Genghis Khan.

DISCOVER SOMETHING NEW WITH THIS LIMITED-TIME DISCOUNT ON BOOK ONE OF THE SERIES. From the No.1 bestselling author of ' Emperor ' , ' Wolf of the Plains ' , is the much anticipated beginning of the Conqueror series on Genghis Khan and his descendants. It is a wonderful, epic story which Conn Iggulden brings brilliantly to life.

The third novel in Conn Iggulden ' s 'Conqueror' series, narrates the adventures of the mighty Genghis Khan. The fatherless boy, exiled from his tribe, whom readers have been following in 'Wolf of the Plains' and 'Lords of the Bow', has grown into the great king, Genghis Khan. He has united the warring tribes and even taken his armies against the great cities of their oldest enemies. Now he finds trouble rising west of the Mongolian plains. His emissaries are mutilated or killed; his trading gestures rebuffed. So, dividing his armies, using his sons as generals of the various divisions, he sends them out simultaneously in many directions, ranging as far as modern Iran and Iraq. As well as discovering new territories, exacting tribute from conquered peoples, laying waste the cities which resist, this policy is also a way of diffusing the rivalries between his sons and heirs and working out who should succeed the khan.

The gathering of the tribes of the Mongols has been a long time in coming but finally, triumphantly, Temujin of the Wolves, Genghis Khan, is given the full accolade of the overall leader and their oaths. Now he can begin to meld all the previously warring people into one army, one nation. But the task Genghis has set himself and them is formidable. He is determined to travel to the land of the long-time enemy, the Chin and attack them there. The distances and terrain—the wide deserts, the impenetrable mountains—make it a difficult venture even for the legendary Mongolian speed of movement, but the greatest problem is that of the complex fortifications, a way of fighting wars of a settled urban population which the nomadic Mongolians had never come across. Finding ways to tackle that and keeping his tribes together in a strange environment presents another new and exciting challenge for Genghis Khan. Not only must Genghis succeed in this incredible campaign, but he must also reconcile the restless factions among his own generals, mediate between his ambitious brothers and cope with his own reactions to his growing sons. The young warrior has become a notable and victorious military commander of thousands: he must now learn to become a great leader of peoples of many different races and religions. LORDS OF THE BOW is a deeply satisfying novel. It is epic in scope, convincing, and fascinating in the narration of an extraordinary story. Above all Genghis Khan continues to dominate the scene as he matures from the young boy of Wolf of the Plains to the great Conqueror.

For lovers of thrilling adventure and grand history, the bestselling co-author of the #1 New York Times bestseller The Dangerous Book for Boys has written a magnificent novel with a hero for the ages: the legendary, visionary conqueror Kublai Khan. A succession of ruthless men have seized power in the wake of Genghis Khan ' s death—all descendants of the great leader, but none with his indomitable character. One grandson, Guyuk, strains the loyalties of the tribes to the breaking point, and another, Mongke, brutally eliminates the opposition and dispatches his younger brothers Kublai and Hulegu to far-flung territories. Hulegu displays his barbarity with the savage destruction of Baghdad and his clash with the Khan ' s age-old enemies, the cult of assassins. But it is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu and pursues the ultimate prize: the ancient empire of Sung China. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world. BONUS: This edition includes an excerpt from Conn Iggulden's The Blood of Gods. " Conqueror is as real as military fiction gets. Conn Iggulden ' s story of one of history ' s most ferocious and brilliant warriors is full of lessons for our warfighters today. " —Gunnery Sergeant Jack Coughlin, USMC (ret.), New York Times bestselling author of Shooter and Kill Zone: A Sniper Novel " A rollicking, dangerous and often very gory gallop through the largest land empire the world has ever known. " —Sunday Express (U.K.) " A thrilling journey, rippingly told . . . Iggulden ' s most satisfying to date. " —The Daily Telegraph (U.K.)

From the co-author of The Dangerous Book for Boys, the Khan series is a triumph of historical fiction—a bold, epic account bursting with gritty realism and exhilarating action. Now this eBook bundle assembles the entire series—Birth of an Empire, Lords of the Bow, Bones of the Hills, Empire of Silver, and

Conqueror—sparing no detail, from the Great Khan 's first conquest and the heights of his unprecedented empire, to his brutal ancestral legacy and the rise of Kublai Khan. **GENGHIS: BIRTH OF AN EMPIRE** “ Invigorating . . . zesty historical fiction, the kind with plenty of unbridled combat, accurate research, rampaging hordes and believable characters. ” —USA Today Genghis Khan was born Temujin, the son of a khan, raised in a clan of hunters and driven by a singular fury: to survive in the face of death, to kill before being killed. Through a series of courageous raids, Temujin 's legend grew until he was chasing a vision: to unite many tribes into one, to make the earth tremble under the hoofbeats of a thousand warhorses, to subject all nations and empires to his will. **GENGHIS: LORDS OF THE BOW** “ Readers who enjoy well-researched tales of historical adventure with an emphasis on political intrigue, exotic settings, and military conflict will enjoy the ride. ” —Library Journal For centuries, primitive tribes have warred with one another. Now, under Genghis Khan, they have united as one nation to face the ultimate test: the great, slumbering walled empire of the Chin. In Yenking—modern-day Beijing—the Chin will make their final stand. But Genghis will strike with breathtaking audacity, never ceasing until the emperor himself is forced to kneel. **GENGHIS: BONES OF THE HILLS** “ Page-turning . . . a sweeping historical saga [that] will appeal to fans of gritty combat fiction. ” —Booklist As Genghis enters a strange new land of towering mountains and arid desert, he stirs an enemy greater than any he has met before. Shah Ala-ud-Din Mohammed has under his command thousands of fierce Arab warriors, teeming cavalry, and terrifying armored elephants. But another battle is taking shape—between two of Genghis 's feuding sons. Soon the most powerful man in the world must choose a successor, touching off the most bitter conflict of all. **KHAN: EMPIRE OF SILVER** “ Epic . . . alpha-male fiction . . . The book has much to teach about a time and a people long shrouded in legend. ” —The Wall Street Journal The Great Khan is dead—and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Even as the sons of Genghis Khan maneuver for supremacy, the Khan 's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught. **CONQUEROR** “ A rip-roarin ' read, and inspiration to go and sack a few cities on your own. ” —Kirkus Reviews A succession of ruthless leaders have seized power in the wake of the Great Khan 's death—all descendants of Genghis, but none with his indomitable character. It is Kublai—refined and scholarly, always considered too thoughtful to take power—who will devise new ways of warfare and conquest as he builds the dream city of Xanadu. His gifts will serve him well when an epic civil war breaks out among brothers, the outcome of which will literally change the world.

The first book in the bestselling Conqueror series featuring Genghis Khan and his descendants. 'I am the land and the bones of the hills. I am the winter.' Temujin, the second son of the khan of the Wolves tribe, was only eleven when his father died in an ambush. His family were thrown out of the tribe and left alone, without food or shelter, to starve to death on the harsh Mongolian plains. It was a rough introduction to his life, to a sudden adult world, but Temujin survived, learning to combat natural and human threats. A man, a small family, without a tribe was always at risk but he gathered other outsiders to him, creating a new tribal identity. It was during some of his worst times that the image of uniting the warring tribes and bringing the silver people together came to him. He will become the khan of the sea of grass, Genghis.

The Great Khan is dead--and his vast empire, forged through raw courage, tactical brilliance, and indomitable force, hangs in the balance. Now, with the sons of Genghis Khan maneuvering for supremacy, the very qualities that united the fierce Mongol tribes threaten to tear them apart. Genghis's tough and canny heir, Ogedai, is on the verge of becoming the new Khan. Inexplicably, Ogedai has delayed his coronation to complete a project many deem a folly: the building of Karakorum, a magnificent city amid the wild plains. His decision emboldens his arrogant brother Chagatai to violently challenge him, leaving their noble sibling Tolui caught between them. Yet even as they clash, the Khan's armies extend his reach farther than ever before, into southern China and across the rugged mountains of Russia to the vulnerable heart of Europe, where the most courageous warriors the West commands await the coming onslaught.

From New York Times bestselling Conn Iggulden comes a new novel set in the red-blooded days of Anglo-Saxon England. This is the original game for the English throne. In the year 937, the new king of England, a grandson of Alfred the Great, readies himself to go to war in the north. His dream of a united kingdom of all England will stand or fall on one field—on the passage of a single day. At his side is the priest Dunstan of Glastonbury, full of ambition and wit (perhaps enough to damn his soul). His talents will take him from the villages of Wessex to the royal court, to the hills of Rome—from exile to exaltation. Through Dunstan's vision, by his guiding hand, England will either come together as one great country or fall back into anarchy and misrule . . . From one of our finest historical writers, *The Abbott 's Tale* is an intimate portrait of a priest and performer, a visionary, a traitor and confessor to kings—the man who can change the fate of England.

'Iggulden is in a class of his own when it comes to epic historical fiction' Daily Mirror Conn Iggulden's Wars of the Roses Ebook Bundle contain the following: Trinity Stormbird Bloodline Ravenspur
