Crimson Wind Give Away! - Diana Pharaoh Francis Magicfall is actually the same world as The Horngate Witches books. These books are entirely separate with new characters. Here ' s what it ' s about: Four years ago, my world—the world—exploded with wild magic. The cherry on top of that crap cake? The supernatural world declared war on humans, and my life went straight to hell.

Diana Pharaoh Francis, writer of Fantasy Adventure I was pretty excited to start Crimson Wind, the second book in Diana Pharaoh Francis ' s Horngate Witches series. Though the world building lost me in the first book, I was hoping for more clarity in the second book.

THERE ARE GOOD GUYS. THERE ARE BAD GUYS. AND THEN THERE ' S MAX. Max knows what trusting the wrong person can cost you. Her former friend Giselle, a powerful witch, enslaved Max years ago, turning her into a Shadowblade—a deadly warrior compelled to fight for Giselle. But there ' s more at stake now than Max ' s thirst for revenge. The Guardians, overseers of the magical world, have declared war on humanity and on any witches not standing with them. Max and Giselle have come to an uneasy truce in order to protect what ' s left of Horngate, their coven ' s home. Max would do anything for Horngate—even give herself over to a mysterious otherworldly creature in the nearby mountains in exchange for his help. But first, she intends to save the mortal family she left behind. And Alexander, the Shadowblade warrior who could be her closest ally or her deadliest enemy, is going with her. On a road trip into the unknown, Max and Alexander face wild magic, desperate enemies, and battles that bruise both body and soul. But the greatest challenge will come from unexpected revelations that test everything Max

believes about who she is—and where her loyalties lie. .

SOMETIMES YOU CHOOSE YOUR BATTLES. AND SOMETIMES, THEY CHOOSE YOU... Once, Max dreamed of a career, a home, a loving family. Now all she wants is freedom...and revenge. A witch named Giselle transformed Max into a warrior with extraordinary strength, speed, and endurance. Bound by spellcraft, Max has no choice but to fight as Giselle's personal magic weapon -- a Shadowblade -- and she's lethally good at it. But her skills are about to be put to the test as they never have before.... The ancient Guardians of the earth are preparing to unleash widespread destruction on the mortal world, and they want the witches to help them. If the witches refuse, their covens will be destroyed, including Horngate, the place Max has grudgingly come to think of as home. Max thinks she can find a way to help Horngate stand against the Guardians, but doing so will mean forging dangerous alliances -- including one with a rival witch's Shadowblade, who is as drawn to Max as she is to him -- and standing with the witch she despises. Max will have to choose between the old life she still dreams of and the warrior she has become, and take her place on the side of right -- if she survives long enough to figure out which side that is....

The world is falling apart. The magical apocalypse has come. Now is the time to guard the covenstead against both raiders and refugees. But Max has been stolen by a powerful demi-god who is determined to force her to find a way to use a magical power she never knew she had—even if it kills her. Meanwhile, back in Horngate, a

Fury is birthing. When the creature breaks free of the fragile bonds that enclose her, her rage will scour the covenstead from the earth. Max finds herself in the Shadow City, a place of mysteries and magic, where she must battle for her freedom or become a slave to creatures of dreadful greed and power. Back in Horngate, Alexander must swallow his anger and pride if he hopes to defeat the Fury, a creature that no one has ever successfully fought before. In the end, it will be courage, friendship, faith and loyalty that win the day. Or else so one will live to see tomorrow.

NEW GAME. SAME RULES. SHE FIGHTS. THEY DIE. Max always does her job, no matter how brutal and bloody. That ' s how it ' s been ever since she was enslaved by a witch, turned into a supernatural warrior, and assigned to protect the coven of Horngate. But her job just got harder. . . . Waves of wild magic have returned much of the world to a time when fairy tales were real and danger now lurks behind every tree and bush. As winter descends and food, heat, and water are harder to come by, many have turned to Benjamin Sterling for protection. Leader of the Earth ' s Last Stand cult, Sterling claims to be the Hand of God, but his power and charisma secretly come from a dark and terrible source. With devout followers eager to do his sadistic bidding, he has his eyes on Horngate and its magical inhabitants. To save those she loves, Max will knowingly walk into a trap. But when the cult strips Max ' s soul bare for all to see, will even Alexander—her lover and her strength—remain? And if she were to lose him, what does it matter if she gains the whole world. . . .

author of Wild Country Four years ago, my world--the world--exploded with wild magic. The cherry on top of that crap cake? The supernatural world declared war on humans, and my life went straight to hell. I used to be a detective, and a damned good one. Then Magicfall happened, and I changed along with the world. I'm witchkin now--something more than human or not quite human, depending on your perspective. To survive, I've become a scavenger, searching abandoned houses and stores for the everyday luxuries in short supply--tampons and peanut butter. Oh, how the mighty have fallen, but anything's better than risking my secret. Except, old habits die hard. When I discover a murder scene screaming with signs of black magic ritual, I know my days of hiding are over. Any chance I had of escaping my past with my secret intact is gone. Solving the witchkin murders is going to be the hardest case of my life, and not just because every second will torture me with reminders of how much I miss my old life and my partner, who hates my guts for abandoning the department. But it's time to suck it up, because if I screw this up, Portland will be wiped out, and I'm not going to let that happen. Hold on to your butts, Portland. Justice is coming, and I don't take prisoners.
