A Manson insider's take on the famous murder case

Restless Souls is the true, bone-chilling chronicle of the Manson Family murders and its aftermath, from the point of view of the victims ' families. When actress Sharon Tate and four others were brutally murdered by Charles Manson and his followers, the world was shocked. More than forty years later, the gruesome barbarity of the "Manson Family" still fascinates and horrifies. This true crime memoir by Alisa Statman, a 20-year Tate family friend, and Brie Tate, the daughter of Sharon Tate 's niece, includes interviews with the Tate family, accounts from personal letters, tape recordings, home movies, and private diaries. Complete with color photographs and personal insights, Restless Souls is the most revealing, riveting, and emotionally raw account of the gruesome slayings, the hunt and capture of the killers, and the behind-the-scenes drama of their trials, as well as a touching view of the torment that the victims families ' have endured for years after such tragedy.

The extraordinary debut collection from the Guggenheim Award-winning author of the forthcoming Gold Fame Citrus Winner of the 2012 Story Prize Recipient of the American Academy of Arts and Letters 2013 Rosenthal Family Foundation Award Named one of the National Book Foundation's "5 Under 35" fiction writers of 2012 Winner of New York Public Library Young Lions Fiction Award NPR Best Short Story Collections of 2012 A Boston Globe, San Francisco Chronicle, and Time Out New York Best Book of the year, and more . . . Like the work of Cormac McCarthy, Denis Johnson, Richard Ford, and Annie Proulx, Battleborn represents a near-perfect confluence of sensibility and setting, and the introduction of an exceptionally powerful and original literary voice. In each of these ten unforgettable stories, Claire Vaye Watkins writes her way fearlessly into the mythology of the American West, utterly reimagining it. Her characters orbit around the region's vast spaces, winning redemption despite - and often because of - the hardship and violence they endure. The arrival of a foreigner transforms the exchange of eroticism and emotion at a prostitution ranch. A prospecting hermit discovers the limits of his rugged individualism when he tries to rescue an abused teenager. Decades after she led her best friend into a degrading encounter in a Vegas hotel room, a woman feels the aftershock. Most bravely of all, Watkins takes on - and reinvents - her own troubled legacy in a story that emerges from the mayhem and destruction of Helter Skelter. Arcing from the sweeping and sublime to the minute and personal, from Gold Rush to ghost town to desert to brothel, the collection echoes not only in its title but also in its fierce, undefeated spirit the motto of her home state.
