The end of the world so very near, according to the Maya of old, but something tells me this Crystal holds that which is yet to be told. FROM EXCITING AUTHOR OF LGBTQIA ROMANCE EVELYN MAHONY In the world of high-end escorts, getting personal is never part of the arrangement. When Josh Roberts became a male escort, there was no room for emotions. They went against the job description. He had a full appointment book and enough clients to pay the bills. There was definitely no time to get attached to an older, extremely successful, incredibly gorgeous man who paid for his services. But Josh can't turn down the money that has started rolling in, along with the gifts and the opportunity to live in the lap of luxury as the man flies him around the world to play pretend as his boyfriend. How on earth is he supposed to say no? Especially once he starts falling for his client. James Barnwell is the successful CEO of Winter Luxury Resorts who stumbled upon Josh Roberts in a dark, high-end bar in midtown Manhattan. The young man was cocky, young, beautiful and offered James exactly what he was looking for—the chance to be with a man who knew the ropes and offered no opportunity to get attached. James had a lucrative business to run and meetings all over the world to attend. Having someone by his side would just weigh him down—or so he thinks, until he finds himself caring deeply for the man he pays for companionship, and it completely changes his world. Two men are trying to play make believe—until they realize their sham might be closer to reality than they thought.

The classic story of one family torn apart by the Revolutionary War All his life, Tim Meeker has looked up to his brother. Sam is smart and brave, and is now a part of the American Revolution. With the war soon raging, Tim knows he will have to make a choice between the Revolutionaries and the Redcoats, and between his brother and his father.

Game of Thrones fans will love the New York Times bestselling Abhorsen series. Sabriel, the first installment in the trilogy, launched critically acclaimed author Garth Nix onto the fantasy scene as a rising star. Dark Secrets, Deep Love, and Dangerous Magic Sent to a boarding school in Ancelstierre as a young child, Sabriel has had little experience with the random power of Free Magic or the Dead who refuse to stay dead in the Old Kingdom. But during her final semester, her father, the Abhorsen, goes missing, and Sabriel knows she must enter the Old Kingdom to find him. She soon finds companions in Mogget, a cat whose aloof manner barely conceals its malevolent spirit, and Touchstone, a young Charter Mage long imprisoned by magic, now free in body but still trapped by painful memories. As the three travel deep into the Old Kingdom, threats mount on all sides. And every step brings them closer to a battle that will pit them against the true forces of life and death—and bring Sabriel face-to-face with

Residents of the island of Starns send for help from Winding Circle temple, and when prickly green mage Rosethorn and young stone mage trainee Evvy respond, Evvy tries to use her talents to avert a volcano's looming destruction.
