The Little Prince and
(French: and
Le Petit Prince) is a and
novella and
by French aristocrat, writer, and aviator and
Antoine de Saint-Exupéry. It was first published in English and French in the US by and
Reynal and
Hitchcock and
in April 1943, and posthumously in France following the and
liberation of France and
as Saint-Exupéry's works had been banned by the and
Vichy Regime. The story follows a young prince who visits various planets in space, including Earth, and addresses themes of loneliness, friendship, love, and loss. Despite its style as a children's book, and
The Little Prince and
makes observations about life, adults and human nature. The Little Prince and
became Saint-Exupéry's most successful work, selling an estimated 140 million copies worldwide, which makes it one of the and
best-selling and
and
most translated books and
ever published. and
It has been translated into 301 languages and dialects. and
The Little Prince and
has been adapted to numerous art forms and media, including audio recordings, radio plays, live stage, film, television, ballet, and opera.

The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. "Every sales manager

should read *The Greatest Salesman in the World*. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration.”—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations “I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

Want to live your dreams--or even surpass them? Want the world to change for the better? Want to see a miracle? What are we waiting for? Why not be the miracle? That's the challenge Regina Brett sets forth in *BE THE MIRACLE*. To be a miracle doesn't necessarily mean tackling problems across the globe. It means making a difference, believing

change is possible, even in your own living room, cubicle, neighborhood, or family. Through a collection of inspirational essays, Regina shares lessons that will help people make a difference in the world around them. The lessons come from Regina's life experience and from the lives of others, especially those she has met in her 24 years as a journalist. Each chapter is a lesson that can stand alone, but together they form a handbook for seeing the miracle of change everywhere. With upbeat lessons from "Do Your Best and Forget the Rest" to "Sometimes It's Enough to Make One Person Happy," these lessons will help you accept and embrace yourself, challenge and change yourself, and better serve others.

Imagine being able to read and understand what follows in less than 3 seconds. Learn the basic techniques to read and comprehend creative. It's fun too.

"A skillful mix of Bertie Wooster and James Bond . . . A thoroughgoing pleasure from beginning to end" (Booklist). From the multitalented British actor, beloved for his roles on Blackadder, Jeeves and Wooster, and House, this is a spot-on spy spoof about hapless ex-soldier Thomas Lang, who is drawn unwittingly and unwillingly into the center of a dangerous plot of international terrorists, arms dealing, high-tech weapons, and CIA spooks. "There is mystery, intrigue, sex, and violence, all of which Lang tosses off with sarcastic wit and remarkable poise. Laurie's humor hits home. Although the subject is serious, even plausible, much of this comedy-thriller is laugh-out-loud funny." -Library Journal "Suspenseful, hilarious, witty, surprising, ridiculous, and pretty wonderful . . . A delightful novel." -The Washington Post Book World

The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—The Secret—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of The Secret come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you'll learn how to use The Secret in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You'll begin to understand the hidden, untapped power that's within you, and this revelation can bring joy to every aspect of your life. The Secret contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of The Secret, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible.

A WRY AND HILARIOUS ACCOUNT OF LIFE AT A BOOKSHOP IN A REMOTE SCOTTISH VILLAGE "Among the most irascible and amusing bookseller memoirs I've read." --Dwight Garner, New York Times "Warm, witty and laugh-out-loud funny..."--Daily Mail The Diary of a Bookseller is Shaun Bythell's funny and fascinating memoir of a year in the life at the helm of The Bookshop, in the small village of Wigton, Scotland--and of the delightfully odd locals, unusual staff, eccentric customers, and surreal buying trips that make up his life there as he struggles to build his business . . . and be polite . . . When Bythell first thought of taking over the store, it seemed like a great idea: The Bookshop is Scotland's largest second-hand store, with over one hundred thousand books in a glorious old house with twisting corridors and roaring fireplaces, set in a tiny, beautiful town by the sea. It seemed like a book-lover's paradise . . . Until Bythell did indeed buy the store. In this wry and hilarious diary, he tells us what happened next--the trials and tribulations of being a small businessman; of learning that customers can be, um, eccentric; and of wrangling with his own staff of oddballs (such as ski-suit-wearing, dumpster-diving Nicky). And perhaps none are quirrier than the charmingly cantankerous bookseller Bythell himself turns out to be. But then too there are the buying trips to old estates and auctions, with the thrill of discovery, as well as the satisfaction of pressing upon people the books that you love . . . Slowly, with a mordant wit and keen eye, Bythell is seduced by the growing charm of small-town life, despite --or maybe because of--all the peculiar characters there.

Ralph Sprockett is the story of a man who knows everything there is to know about bicycles, except how to ride one. An expert bicycle mechanic, thanks to constantly crashing and subsequently having to repair bikes as a child, he is admired by everyone in town for his skill and knowledge, so much so that they have even started referring to bicycles as 'sprockets' in his honour. No one knows his deep, dark secret - not even his wife knows that the great Ralph Sprockett cannot ride a bike. When his friend Noel, who is a photographer, announces that he would like to take a picture of Ralph riding his bike down a local hill, Ralph finally has to confront his fears, with unexpectedly dramatic results. Originally published in France in 1995, Ralph Sprockett is the perfect companion to Monsieur Lambert, Sempe's earlier graphic novel.

Thaler and Koval feel that grit, perseverance, perspiration, determination, and sheer stick-to-it-tiveness is the real secret to their own success in their careers-- and can be in yours. Research shows that we far overvalue talent and intellectual ability in our culture. Many people get ahead because they work incredibly hard, put in thousands of hours of practice and extra sweat equity, and made their own luck. Discover the powers that can help you succeed: the courage necessary to take on tough challenges and not give up at the first sign of difficulty. The essential quality of resiliency. And how to reset your optimistic set point.
