Daisy-Head Mayzie is the last children’s book officially written by Dr. Seuss, although he did not illustrate it, nor was it published until 1995, after his death. The book is about a schoolgirl named Mayzie McGrew who one day suddenly sprouts a bright yellow daisy from her head. It causes alarm in her classroom, family, and town, until an agent makes her a celebrity.

Daisy-Head Mayzie – Applications sur Google Play

It is not often that people think of Dr. Seuss when discussing insightful poetry. However, that is not the case in, "Daisy-Head Mayzie." This book by Dr. Seuss is one that is very different compared to his classics such as, "The Cat in The Hat" and "One Fish, Two Fish, Red Fish, Blue Fish."

"Originally published by Random House Children's Books in 1994"--Colophon.

Young Mayzie McGrew becomes a worldwide sensation when a daisy grows out of the top of her head, and everyone attempts to get rid of it.

Young Mayzie McGrew becomes a worldwide sensation when a daisy grows out of the top of her head, and everyone attempts to get rid of it.

This is the children’s story that was plagiarized and turned into the FAKE 'lost work' of Dr. Seuss entitled Daisy-Head Mayzie by his widow Audrey Geisel and her lawyer Karl ZoBell and their friends at Random House. I lost the case not on these claims but on the statute of limitations for 17 USC 503. For more information regarding this story and these claims feel free to research for yourself. Just take a look at Dkt. No. 22 Case No. CIV 01-0211-JCH-ACT in the United States District of New Mexico if you want to see all of the evidence!!! Their lawyer is Christopher M. Young of DLA Piper-Class Action Fraud Defense. And, 'YES', the indie-rock band is named after the title of this book. The moral of the story is that no matter what happens to you in your life, don't let the jerks bring you down and don't ever change who you are for others, and know who your true friends are.

Featuring classic art and cherished quotes from 36 of Dr. Seuss’ most beloved works, this "New York Times" bestseller is now available in a large-trim jacketed edition and offers valuable advice for any age. Full color.

Gerald McCloy is sent home from school because he can only speak in sounds and not in words.

The students of Diffendoofer School celebrate their unusual teachers and curriculum, including Miss Fribble who teaches laughing, Miss Bonkers who teaches frogs to dance, and Mr. Katz who builds robotic rats.

Philip Nel takes a fascinating look into the key aspects of Seuss’s career - his poetry, politics, art, marketing, and place in the popular imagination." "Nel argues convincingly that Dr. Seuss is one of the most influential poets in America. His nonsense verse, like that of Lewis Carroll and Edward Lear, has changed language itself, giving us new words like "nerd." And Seuss’s famously loopy artistic style - what Nel terms an "energetic cartoon surrealism" - has been equally important, inspiring artists like filmmaker Tim Burton and illustrator Lane Smith. --from back cover

What’s better than a lost treasure? Seven lost treasures! These rarely seen Dr. Seuss stories were published in magazines in the early 1950s and are finally available in book form. They include "The Bippolo Seed" (in which a scheming feline leads a duck toward a bad decision), "The Rabbit, the Bear, and the Zinniga-Zanniga" (about a rabbit who is saved from a bear by a single eyelash), "Gustav, the Goldfish" (an early rhymed version of the Beginner Book A Fish Out of Water), "Tadd and Todd" (about a twin who is striving to be an individual), "Steak for Supper" (in which fantastic creatures follow a boy home in anticipation of a steak dinner), "The Strange Shirt Spot" (the inspiration for the bathtub-ring scene in The Cat in the Hat Comes Back), and "The Great Henry McBride" (about a boy whose far-flung career fantasies are bested only by those of Dr. Seuss himself). An introduction by Seuss scholar Charles D. Cohen traces the history of the stories, which demonstrate an intentional move toward the writing style we now associate with Dr. Seuss. Cohen also explores the themes that recur in well-known Seuss stories (like the importance of the imagination or the perils of greed). With a color palette enhanced beyond the limitations of the original magazines, this is a collection that no Seuss fan (whether scholar or second grader) will want to miss. This Read & Listen edition contains audio narration.

Rhyming text and illustrations briefly point out what animals have teeth, their uses, and how to care for them.
