Alan Seeley. Following on from the success of The Motorcycle Book, this extensively illustrated, all-color book provides comprehensive reference for all scooter owners and enthusiasts. From traditional to sports, through big-wheel and Super, all aspects of buying, riding, maintaining and tuning a scooter are included. Whether a beginner or experienced rider, the reader will find all the information they need to get on the road and stay on the road safely. There are detailed sections on how a scooter works and how to keep it running, with extensive maintenance and trouble-shooting chapters.

The perfect book for any child who has a pet or has dreamed of owning one - or several! Children will enjoy filling scenes with playful kittens, snoozy chinchillas, adorable dogs and chirpy canaries. The hundreds of reusable stickers mean that scenes can be rearranged again and again. Illustrations:Full colour throughout

In the 20 years since Bill Granger published his first book of recipes, Sydney Food, the world has fallen in love with the joyfully casual Australian way of eating. As a self-taught cook, straight out of art school, Bill furnished his first street-corner eatery in minimalist style, serving a small but perfectly formed menu of domestic dishes around a central communal table. He captured the hearts of Sydneysiders and visitors alike, while setting an exciting new standard for cafe dining. Since then, Bill has been crowned the 'egg master of Sydney' (New York Times 2002), the 'king of breakfast' (The Telegraph Magazine 2016), the 'creator of avocado toast' (Washington Post 2016) and 'the restaurateur most responsible for the Australian cafe's global reach' (The New Yorker 2018). Nowadays, from Sydney to Tokyo, and London to Seoul, queues form to enjoy ricotta hotcakes ('Sydney's most iconic dish' Good Food 2019), fluffy scrambled eggs, lively salads and punchy curries. It is a bright picture of Australian food that has travelled across the globe, packed with fresh flavours and local produce, healthy but never preachy, whose main ingredient seems to be sunshine itself. The plates at any of Bill's restaurants are more sophisticated today, reflecting decades of global experience and culinary creativity - but the warmth of atmosphere and joy of eating remain the same.

The new Seventh Edition of the award-winning classic prepares its users to deliver expert care in this challenging nursing specialty. It addresses neuroanatomy, assessment, diagnostic evaluation and management of the complete range of neurological disorders for which nurses provide patient care, including trauma, stroke, tumors, seizures, headache, aneurysms, infections, degenerative disorders and features new chapters on neurological critical care and peripheral neuropathies. The new edition has been thoroughly revised to reflect standards of care based on evidence-based practice. It now includes separate pathophysiology sections in each chapter, new resource guides, such as internet sites and professional and patient information sources, key points summaries, evidence-based boxes, and nursing research features.

When a Beautiful but Deadly Assassin Murders a Man in a DC Hotel Room, Noble is Ordered to Find The Killer And Bring Her to Justice. After the devastating death of Samantha Gunn, Jake Noble has spent every night since drinking himself into oblivion. Jake's world is shattered and he's looking for answers, instead he gets a call from Langley. A Secret Service agent has been found dead, the CIA wants to know who killed him and why. Noble tracks the assassin across two continents only to discover a larger, more sinister plot at work. Someone is trying to destroy the United States of America, and Noble may be the only man who can stop it. Book 4 in the highly popular Jake Noble Thriller Series! "A top-notch thriller." "A truly a well written, fast-

paced, page turning book; I loved it!" "This was a wonderfully well-written and intense thriller that I thoroughly enjoyed and I will definitely be grabbing future releases in this series." "Fun, sexy, and dark." "I agree with other readers who have compared Miller's NEW HERO - Jake Noble to Mitch Rapp, Scot Harvath, and I would add Kyle Achilles and Sean Drummond."

This work explores the whole food culture in Sydney, the trends, the fresh produce and exciting market scenes, the restaurants, cafes and the beachside eating society. Bill Granger highlights some of the wonderful spots in Sydney, where he shops for ingredients, and what inspires his recipes.

insight will challenge, develop and inspire your students. It will motivate and engage them with thought provoking topics and information rich texts which will challenge their opinions and inspire them to think critically about the world they live in. It will prepare them for a life of learning with a clear focus on developing their skills and autonomous learning habits. It will give your students a deeper awareness of how language works, furnishing them with not just the meaning of vocabulary but also the rules that govern its use, allowing your students to use it with confidence.
