Her characters are flawed and fully human: a soldier returning from war and avoiding his fiancée, a wealthy woman deciding whether to confront a blackmailer, an adulterous mother and her neglected children, a guilt-ridden father, a young teacher jilted by her employer. Illumined by Munro ' s unflinching insight, these lives draw us in with their quiet depth and surprise us with unexpected turns. And while most are set in her signature territory around Lake Huron, some strike even closer to home: an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro ' s own childhood. Exalted by her clarity of vision and her unparalleled gift for storytelling, Dear Life shows how strange, perilous, and extraordinary ordinary life can be.</p> <p>Seven superb short stories from the bestselling author of Charlie and the Chocolate Factory and The BFG! "All the tales are entrancing inventions." —Publishers Weekly</p> <p>The Broadview Anthology of Victorian Short Stories beautifully demonstrates the astonishing variety and ingenuity of Victorian short stories. This collection brings together works focused on a wide range of popular Victorian subjects in many different styles and forms (including comic, gothic, fantasy, adventure, and colonial works; science fiction; children ' s tales; New Woman writing; Irish yarns; stories originally published in popular periodicals; and travel stories). Both well-known and lesser-known authors are included, and both men and women are well represented. This anthology includes twenty-six annotated stories, a general introduction that discusses the history of the genre ' s development in relation to key socio-political issues of the Victorian era, and suggestions for secondary readings. It also includes an intriguing selection of Victorian writings on the genre by Edgar Allan Poe, Charles Dickens, Margaret Oliphant, Frederick Wedmore, and Laura Marholm Hansson.</p> <p>For deft plotting, riotous inventiveness, unforgettable characters, and language that brilliantly captures the lively rhythms of American speech, no American writer comes close to Mark Twain. This sparkling anthology covers the entire span of Twain ' s inimitable yarn-spinning, from his early broad comedy to the biting satire of his later years. Every one of his sixty stories is here, ranging from the frontier humor of " The Celebrated Jumping Frog of Calaveras County, " to the bitter vision of humankind in " The Man That Corrupted Hadleyburg, " to the delightful hilarity of " Is He Living or Is He Dead? " Surging with Twain ' s ebullient wit and penetrating insight into the follies of human nature, this volume is a vibrant summation of the career of—in the words of H. L. Mencken—" the father of our national literature.
