Life is full of challenges, both big and small. Spirituality is here to offer solutions. Over the course of his career as physician, teacher, and bestselling author, Deepak Chopra has received thousands of questions from people facing every kind of challenge. They have asked how to lead more fulfilling lives, how to overcome relationship problems and personal obstacles. What ' s the best way to deal with a passive-aggressive friend? Can a stagnant career be jump-started? In a world full of distractions and stress, how does one find time for meditation? Hidden among all of these questions are answers waiting to be uncovered. In this groundbreaking book, Chopra shows you how to expand your awareness, which is the key to the confusion and conflict we all face. " The secret is that the level of the problem is never the level of the solution, " he writes. By rising to the level of the solution in your own awareness, you can transform obstacles into opportunities. Chopra leads the reader to what he calls " the true self, " where peace, clarity, and wisdom serve as guides in times of crisis. For Chopra, spirituality is primarily about consciousness, not about religious dogma or relying on the conventional notion of God. " There is no greater power for success and personal growth than your own awareness. " With practical insight, Spiritual Solutions provides the tools and strategies to enable you to meet life ' s challenges from within and to experience a sense of genuine fulfillment and purpose.

The basis for the PBS Special, What Are You Hungry For? is the breakthrough book that can bring weight under effortless control by linking it to personal fulfillment in every area of a reader's life. After promoting this message worldwide for thirty years, bestselling author Deepak Chopra focuses on the huge problem of weight control in America with exciting new concepts. What are you hungry for? Food? Love? Self-esteem? Peace? In this manual for "higher health," based on the latest findings in both mainstream and alternative medicine, Deepak Chopra creates a vision of weight loss based on a deeper awareness of why people overeat - because they are trying to find satisfaction and wind up using food as a substitute for real fulfillment. Repudiating the failed approaches of crash dieting and all forms of deprivation, Chopra's new book aims directly at the problem of finding fulfillment. When that problem is solved, he argues, normal eating falls into place automatically, and the entire system of mind and body achieves what it really desires. " Everyone ' s life story is complicated, and the best intentions go astray because people find it hard to change, " writes Chopra. " Bad habits, like bad memories, stick around stubbornly when we wish they ' d go away. But you have a great motivation working for you, which is your desire for happiness. I define happiness as the state of fulfillment, and everyone wants to be fulfilled. If you keep your eye on this, your most basic motivation, then the choices you make come down to a single question: " What am I hungry for? " Your true desire will lead you in the right direction. False desires lead in the wrong direction. " Wherever you are in life, this book will help point you in that right direction.

The definitive book of meditation that will help you achieve new dimensions of stress-free living For the past thirty years, Deepak Chopra has been at the forefront of the meditation revolution in the West. Total Meditation offers a complete exploration and reinterpretation of the physical, mental, emotional, relational, and spiritual benefits that this practice can bring. Deepak guides readers on how to wake up to new levels of awareness that will ultimately cultivate a clear vision, heal suffering in your mind and body, and help recover who you really are. Readers will undergo a transformative process, which will result in an awakening of the body, mind, and spirit that will allow you to live in a state of open, free, creative, and blissful awareness twenty-four hours a day. With this book, Deepak elevates the practice of meditation to a life-changing quest for higher consciousness and a more fulfilling existence. He also incorporates new research on meditation and its benefits, provides practical awareness exercises, and concludes with a 52-week program of meditations to help revolutionize every aspect of your life.

In The Seven Spiritual Laws of Success, Deepak Chopra distills the essence of his teachings into seven simple, yet powerful principles that can easily be applied to create success in all areas of your life. Based on natural laws that govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. Instead, Chopra offers a life-altering perspective on the attainment of success: Once we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, energy and enthusiasm for life, and material abundance will spring forth easily and effortlessly. Filled with timeless wisdom and practical steps you can apply right away, this is a book you will cherish for a lifetime, for within its pages are the secrets to making all your dreams come true. "A must-read for anyone who missed The Prophet, by Kahlil Gibran." — The New York Times

Demonstrates how to navigate life challenges in four common areas including relationships, success, health, and personal growth, providing compassionate recommendations for achieving balance and handling conflicts.

This edited E-book entitled " Covid-19: Biopsychosocial Perspectives " is an attempt to explore the COVID-19 through bio-psychosocial model. This book contains contributions of eminent academicians and researchers on the consequences of COVID-19 and its associated physical, emotional and behavioural problems. The Book comprises of 34 chapters wherein the authors have tried to correlate the viral infection and associated medical conditions along with behavioural symptoms such as social dysfunction, disrupted family life, poor work-related quality of life and reduced individual activity and well-being.

"A groundbreaking program to help you cut back or quit drinking entirely--in the privacy of your own home"--

Free your mind, relax your body and refresh your spiritFor the past thirty years, Deepak Chopra has been at the forefront of the meditation revolution in the West. With his first of a kind deck of 64 affirmation cards you will learn how to cultivate a clear mind and practice mindfulness techniques in a gentle and friendly way. Each card features an affirmation on one side and a meditation on the other, embellished with beautiful illustrations. Drawing on the wisdom he has harnessed across his expansive career, these cards contain empowering and uplifting thoughts that will help you to set life affirming intentions and transform your daily life.

As a parent or teacher of children with learning or behavioral difficulties, youre likely to feel worried or anxious. You might also be frustrated and stressed, having tried a range of things to help resolve the problems without success. In The Solution is in Your Hands, author Heather Dorothy Pollock offers a guide to help parents and teachers recognize children are unique individuals who need a safe, holistic approach, rather than expecting one label or one strategy to fix all. It encourages the understanding that more of the samemore teaching, writing, homework, or tutoringisnt the answer and wont effectively change anything. The Solution is in Your Hands provides a greater understanding of whats happening for the children, enabling early intervention, the implementation of strategies, and the celebration of success. It teaches how change will manifest without the need for drugs, counseling, punishment, condemnation, or medical intervention and eliminate the need for travel, appointments, and pressure on the family budget. Based on her seventeen years of experiences, Pollock shows that with an investment of as little as one hour per month for therapy and fifteen minutes a day for exercises, parents and teachers can effectively achieve sustainable results.

Make a list of 16 challenges to success in business and in life. The list will likely include everything from losing weight to increasing business revenues. Now try to find one expert who can provide concrete, practical, proven solutions to break through all 16 barriers and you ' ll soon discover there is no all-knowing guru or credentialed expert with the necessary skills and experience.
