This “ extraordinary history ” of the influential black newspaper is “ deeply researched, elegantly written [and] a towering achievement ” (Brent Staples, New York Times Book Review). In 1905, Robert S. Abbott

Long before the Supreme Court ruled that impoverished defendants in criminal cases have a right to free counsel, Philadelphia 's public defenders were working to ensure fair trials for all. In 1934, when penniless defendants were routinely railroaded

In *Defender in Chief*, celebrated constitutional scholar John Yoo makes a provocative case against Donald Trump's alleged disruption of constitutional rules and norms. Donald Trump isn't shredding the Constitution—he's its greatest defender. Ask any liberal—and many

the 2020 primaries, the candidates have rushed to accuse Trump of destroying our democracy and jeopardizing our nation's very existence. Yoo argues that this charge has things exactly backwards. Far from considering Trump an inherent threat to our nation's founding
