[Endure \(Defy #3\) read online free by Sara B. Larson](#)

Defy takes a common story – a girl forced to take on the guise of a boy to survive – and presents it in slightly different way. Larson did what many other authors trying to execute this plot point did not – she made it feasible.

Alexa Hollen is a fighter. Forced to disguise herself as a boy and serve in the king's army, Alex uses her quick wit and fierce sword-fighting skills to earn a spot on the elite prince's guard. But when a powerful sorcerer sneaks into the palace in the dead of night, even Alex, who is virtually unbeatable, can't prevent him from abducting her, her fellow guard and friend Rylan, and Prince Damian, taking them through the treacherous wilds of the jungle and deep into enemy territory. The longer Alex is held captive with both Rylan and the prince, the more she realizes that she is not the only one who has been keeping dangerous secrets. And suddenly, after her own secret is revealed, Alex finds herself confronted with two men vying for her heart: the safe and steady Rylan, who has always cared for her, and the dark, intriguing Damian. With hidden foes lurking around every corner, is Alex strong enough to save herself and the kingdom she's sworn to protect?

Alexa continues to harbor a secret love for the newly crowned King Damian, yet she remains by his side as his guard and ever committed to helping him rebuild Antion and reclaim the hope of Antion's people. However, when a new threat to Damian and his kingdom emerges, and blame is cast on the once friendly nation of Blevon, Alexa knows things are not what they seem. Once again the fate of her country hangs in the balance. Will Alexa be able to protect her king and uncover the true enemy -- before it's too late?

From the acclaimed author of Defy, Sara B. Larson, Sisters of Shadow and Light is a timeless and fantastical tale of sisterly love and powerful magic The night my sister was born, the stars died and were reborn in her eyes.... Zuhra and Inara have grown up in the Citadel of the Paladins, an abandoned fortress where legendary, magical warriors once lived before disappearing from the world—including their Paladin father the night Inara was born. On that same night, a massive, magical hedge grew and imprisoned them within the citadel. Inara inherited their father ' s Paladin power; her eyes glow blue and she is able to make plants grow at unbelievable rates, but she has been trapped in her own mind because of a “ roar ” that drowns everything else out—leaving Zuhra virtually alone with their emotionally broken human mother. For fifteen years they have lived, trapped in the citadel, with little contact from the outside world...until the day a stranger passes through the hedge, and everything changes. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

On her eighteenth birthday, Princess Evelayn of Eadrolan, the Light Kingdom, can finally access the full range of her magical powers. The light looks brighter, the air is sharper, and the energy she can draw when fighting feels almost limitless. But while her mother, the queen, remains busy at the war front, in the Dark Kingdom of Dorjhalon, the corrupt king is plotting. King Bain wants control of both kingdoms, and his plan will fling Evelayn into the throne much sooner than she expected. In order to defeat Bain and his sons, Evelayn will quickly have to come into her ability to shapeshift, and rely on the alluring Lord Tanvir. But not everyone is what they seem, and the balance between the Light and Dark comes at a steep price. In the first book of a remarkable duology, Sara B. Larson sets the stage for her reimagining of Swan Lake -- a lush romance packed with betrayal, intrigue, magic, and adventure.

In Warriors of Wing and Flame, acclaimed author Sara B. Larson continues her enchanting YA fantasy duology with a timeless fairytale feel in an original voice. The doorway between the magical Visempirum and the human world has been reopened. Paladin are once more living in the citadel where Zuhra and Inara grew up completely isolated by the magical hedge that trapped them there. Amidst the brewing conflict between the Paladin and humans looms the threat of Barloc, who has stolen Inara ' s immense power and continues to elude the Paladin who are desperately searching for him. In this sequel to Sisters of Shadow and Light, Inara and Zuhra must navigate the treacherous paths of self-discovery, their love for each other, and for the boys who have captured their hearts. Together, they search for the strength within themselves to bridge the divide between the two worlds they inhabit, even as war threatens to destroy everything—and everyone—they love. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Disguising herself as a boy in order to serve in the king's army, swordfighter Alexa is unable to prevent her abduction by a powerful sorcerer who holds her captive with the prince and a fellow guard, both of whom compete for her heart when her secret is revealed. A first novel.

Julie Kagawa's bestselling series The Iron Fey captivated the imagination—and hearts—of readers of all ages with its mix of magic, fantasy and romance. Discover what happened to Meghan and Ash following The Iron Knight in this novella... Meghan Chase is finally getting used to being the Iron Queen, ruler of the Iron Fey. Her life may be strange, but with former Winter prince Ash by her side at last, she wouldn't have it any other way. But when they travel to the Summer and Winter courts' gathering for Elysium, the oracle from Meghan's past returns with a dire prophecy: "What you carry will either unite the courts, or it will destroy them." Now Meghan faces a devastating choice that may determine the future of all fey—and her and Ash's unborn child.... Don't miss the first book in Julie Kagawa's highly anticipated new series, SHADOW OF THE FOX, AVAILABLE OCTOBER 2, 2018

For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for The Infinite Moment of Us STARRED REVIEW "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is Forever... for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it's difficult to see that as a bad thing." —Publishers Weekly "Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal "The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy." —The Bulletin of The Center for Children's Books

Adventure is in Tory Brennan's blood. After all, she's the grandniece of world-famous forensic anthropologist Temperance Brennan. Always up for a challenge, Tory and her science-geek friends spend their time exploring the marshlands of Loggerhead Island, home to the very off-limits Loggerhead Island Research Institute, where something strange is going on. After rescuing a stray wolfdog pup from a top-secret lab, Tory and her friends are exposed to a rare strain of canine parvovirus, changing them--and their DNA--forever. Now they are more than friends. They are a pack. They are Virals. And they're dangerous to the core. But are they unstoppable enough to catch a cold-blooded murderer?

Earth's last line of defense against the coming alien invasion is 16-year-old surfer Colt McAlister. But before he can save the world, he has to survive the day. All Colt wants to do is return to his old life . . . where aliens don't exist . . . where mankind hasn't been targeted for destruction . . . and where his parents are still alive. Unfortunately life doesn't work that way. The United States government believes Colt holds the key to our survival, so they're sending him to the CHAOS Military Academy along with his best friends Oz and Danielle. There they'll be trained to defend Earth against a swarm of alien shape shifters known as the Thule. But someone is trying to eliminate Colt before he can lead that charge. Shocked to learn about key events in his past and unsure who he can trust, he is alienated and on the run. In a world of high-tech gear, shape-shifting aliens, simulated reality, and hover boards, Colt must step into his true destiny before our world falls into chaos. "Non-stop, action-packed thrills and excitement made it impossible to put down . . . [a] cliffhanger that left me wanting more." —SciFiChick.com
