2015 Edition: With a New Preface, Afterword, and Updates. "Alexandra Robbins rips into the secret, sordid underbelly of sororities."--Vanity Fair Updated ten years after its original publication, Pledged by Alexandra Robbins is as timely today as it was when first published. With salacious breaking news about fraternities and sororities shocking the general public (and members themselves) Pledged exposes what really goes on behind the facades of some of these Greek organizations. Robbins, an investigative journalist, went undercover as a sorority sister; her expose is a breathtaking narrative of tumultuous breakups, fights, drunk driving, stalkers, cover-ups, predation by faculty and staff, theft, rape, and an abundance of drugs and alcohol, and much, much more.

Homecoming Queen, Senior Class President, Yearbook Editor, National Honor Society Member, Cornell and Columbia Graduate, Wife, Daughter, Sister, Business Owner, Christian Consultant, HR Professional...but there is so much more to her story. No one knows what you've been through until they've walked a mile in your shoes. Lady Charmaine Day has gotten the courage to tell her story, through pictures, poems and a brief narrative about a life of public triumph over personal adversity. When I wrote my book Zero Mathematics: The Science of Today, I was at the end of the line. I truly had been there and done that and wanted wisdom. After writing that book, I realized that no one knew the story behind the smile. I invite you in so that you can understand my past to appreciate how I value the present, a gift of happiness only God could have given me and one that he can bless you with too.

Bob shares with students, parents and educators his insights gained from a lifetime involved in Greek life serving four college campuses, leadership in the professional Fraternity/Sorority Advisors associations and volunteer leadership in his fraternity. The book opens up resources and tools that can help students make an informed decision regarding "Going Greek". Among the insights revealed include:

- The historical timeline of the founding of fraternities and sororities.
- A time management tool to help entering students understand their time demands as college students.
- Specific life skills Greek life offers.
- Tips for parents with students joining Greek life.

This is what some educators are saying about the value of this book. In my 32 years as a campus advisor, I wish this resource had been around specifically to provide to parents and students. — Scott Reikofski, Director of Student Affairs, University of Arizona College of MedicinePhoenix

Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations-including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade

unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by .US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011.

The rich history and social significance of the “ Divine Nine ” African American Greek-letter organizations is explored in this comprehensive anthology. In the long tradition of African American benevolent and secret societies, intercollegiate African American fraternities and sororities have strong traditions of fostering brotherhood and sisterhood among their members, exerting considerable influence in the African American community and being in the forefront of civic action, community service, and philanthropy. Dr. Martin Luther King, Jr., Toni Morrison, Arthur Ashe, and Sarah Vaughn are just a few of the trailblazing members of these organizations. African American Fraternities and Sororities places the history of these organizations in context, linking them to other movements and organizations that predated them and tying their history to the Civil Rights movement. It explores various cultural aspects of the organizations, such as auxiliary groups, branding, calls, and stepping, and highlights the unique role of African American sororities.

This text is the autobiography of John E. Doilbois, US Ambassador to Luxembourg from 1981. Doilbois was born in Luxembourg in 1918 and moved to the USA in 1931. Having graduated from Miami University, he served in American Military Intelligence where he interrogated Nazi war criminals.

This history of the largest black women's organization in the United States is not only the story of Delta Sigma Theta Sorority (DST), but also tells of the increasing involvement of black women in the political, social, and economic affairs of America. Founded at a time when liberal arts education was widely seen as either futile, dangerous, or impractical for blacks, especially women, DST is, in Giddings's words, a "compelling reflection of block women's aspirations for themselves and for society." Giddings notes that unlike other organizations with racial goals, Delta Sigma Theta was created to change and benefit individuals rather than society. As a sorority, it was formed to bring women together as sisters, but at the same time to address the divisive, often class-related issues confronting black women in our society. There is, in Giddings's eyes, a tension between these goals that makes Delta Sigma Theta a fascinating microcosm of the struggles of black women and their organizations. DST members have included Mary McLeod Bethune, Mary Church Terrell, Margaret Murray Washington, Shirley Chisholm, Barbara Jordan, and, on the cultural side, Leontyne Price, Lena Horne, Ruby Dee, Judith Jamison, and Roberta Flack. In Search of Sisterhood is full of compelling, fascinating anecdotes told by the Deltas themselves, and illustrated with rare early photographs of the Delta women.

Use This Paperback Logbook To Record Your Usernames and Passwords This Alpha Kappa Alpha notebook is perfect for any soror to keep up with all your login information. The Cover - The cover is a sturdy paperback book with a glossy finish. The binding is the same as a

Now that you've got all the details on this logbook, click the buy button to get your copy today.

If you've ever wanted to know the "correct" words to "Roll Me Over," or wondered where the melody of "Sweet Betsy from Pike" came from, this book can answer your questions. Extensively revised and including forty more songs than its predecessor, this new edition of *The Erotic Muse* is a unique scholarly collection of bawdy or forbidden American folksongs. Ed Cray presents the full texts of some 125 songs, with melodies for most of them and detailed annotations for all. His lively commentary places the songs in historical, social, and, where appropriate, psychological context.
