A practical financial guide covers such topics as eliminating debt, investing simply, making sound financial decisions, and revolutionizing relationships with the flow of money.

If you're looking for practical information to answer all your "How?" "What?" and "Why?" questions about money, this book is for you. Dave Ramsey's Complete Guide to Money covers the A to Z of Dave's money teaching, including how to budget, save, dump debt, and invest. You'll also learn all about insurance, mortgage options, marketing, bargain hunting and the most important element of all—giving. This is the handbook of Financial Peace

University. If you've already been through Dave's nine-week class, you won't find much new information in this book. This book collects a lot of what he's been teaching in FPU classes for 20 years, so if you've been through class, you've already heard it! It also covers the Baby Steps Dave wrote about in *The Total Money Makeover*, and trust us—the Baby Steps haven't changed a bit. So if you've already memorized everything Dave's ever said about money, you probably don't need this book. But if you're new to this stuff or just want the all-in-one resource for your bookshelf, this is it!

Provides practical steps to assess the extent of one's financial problems, understand how they developed, create a realistic budget, eliminate debt, repair credit damage, and begin saving and investing

A consultant to some of America's leading corporations shares key insights and ideas on how to supercharge one's business and career, explaining how to create and develop new opportunities for wealth in any business, enterprise, or venture. Reprint. 50,000 first printing.

"What's the best thing you can do with your money? How can your wealth make the biggest impact? In this eye-opening lesson, Dave Ramsey reveals the mystery of *The Great Misunderstanding*, the mistaken belief that the way to have more money is to hold on more tightly. You'll discover how to be a good manager of your money as you learn to hold your wealth with an open hand. This new perspective will revolutionize every area of your life, as you learn what it means to be a radical giver."--Container.

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

This guide is designed for musicians and music professionals who wish to hone their knowledge of the music business. It is intended as a practical tool to help composers, performers and all those involved in the music world get into the specifics of the management of their intellectual property rights. The guide aims to provide instructive advice on how to build a successful career in music in both developed and developing countries, by generating income from musical talent.

A simple, straight-forward game plan for completely making over your money habits!
