This voice text combines an introduction to the singing process with an anthology of 60 songs. It also offers an introduction to the basics of how the voice works along with methodical voice building techniques. Piano accompaniments of the songs are available on cassette and CD.

This large-format poster book lets you decorate your walls with images from Katie Scott's Botanicum. Featuring plantlife of all kinds, from right around the world, it's a stunning celebration of all things botanical.

(Jazz Book). A study of three basic outlines used in jazz improv and composition, based on a study of hundreds of examples from great jazz artists.

This book presents a detailed exposition of C in an extremely simple style. The various features of the language have been systematically discussed. The entire text has been reviewed and revised incorporating the feedback from the readers. Each chapter has been expanded to include a variety of solved examples and practice problems.

Celia was paying Jethro to be her husband—so she was disconcerted to discover Jethro was actually a multimillionaire. Why had he agreed to marry—if he didn't need the money...? All Celia had wanted to do was grant her dying father's wish to see her happily married. Now she must spend day and night pretending to be madly in love with her gorgeous new groom. And, although she'd stipulated "no sex" in the contract, it was exactly that clause she was finding impossible to keep...
