Award-winning author and powerhouse talent Roxane Gay burst onto the scene with An Untamed State and the New York Times bestselling essay collection Bad Feminist (Harper Perennial). Gay returns with Difficult Women, a collection of stories of rare force and beauty, of hardscrabble lives, passionate loves, and quirky and vexed human connection. The women in these stories live lives of privilege and of poverty, are in marriages both loving and haunted by past crimes or emotional blackmail. A pair of sisters, grown now, have been inseparable ever since they were abducted together as children, and must negotiate the elder sister's marriage. A woman married to a twin pretends not to realize when her husband and his brother impersonate each other. A stripper putting herself through college fends off the advances of an overzealous customer. A black engineer moves to Upper Michigan for a job and faces the malign curiosity of her colleagues and the difficulty of leaving her past behind. From a girls' fight club to a wealthy subdivision in Florida where neighbors conform, compete, and spy on each other, Gay delivers a wry, beautiful, haunting vision of modern America reminiscent of Merritt Tierce, Jamie Quatro, and Miranda July.

From New York Times -bestselling powerhouse Roxane Gay, *Ayiti* is a powerful collection exploring the Haitian diaspora experience. Originally published by a small press, this Grove Press paperback will make Gay's debut widely available for the first time, including several new stories. In *Ayiti*, a married couple seeking boat passage to America prepares to leave their homeland. A young woman procures a voodoo love potion to ensnare a childhood classmate. A mother takes a foreign soldier into her home as a boarder, and into her bed. And a woman conceives a daughter on the bank of a river while fleeing a horrific massacre, a daughter who later moves to America for a new life but is perpetually haunted by the mysterious scent of blood. These early stories showcase Gay's prowess as one of the voices of our age" (National Post, Canada).

A Haitian American woman survives a brutal kidnapping in this "commanding debut novel" from the New York Times–bestselling author of *Bad Feminist* (The New Yorker). Author and essayist Roxane Gay is celebrated for her incisive commentary on identity and culture, as well as for her bestselling nonfiction and short story collections. Now, with *An Untamed State*, she delivers a "breathtaking debut novel" (The Guardian, UK) of wealth in the face of crushing poverty, and the lawless anger produced by corrupt governments. Mireille Duval Jameson is living a fairy tale. The strong-willed youngest daughter of one of Haiti's richest sons, she lives in the United States with her adoring husband and infant son, returning every summer to stay on her father's Port-au-Prince estate. But the fairy tale ends when Mireille is kidnapped in broad daylight by a gang of heavily armed men, just outside the estate walls. Held captive by a man who calls himself The Commander, Mireille waits for her father to pay her ransom. As her father's standoff with the kidnappers stretches out into days, Mireille must endure the torments of a man who despises everything she represents. *An Untamed State* is a "breathless, artful, disturbing and original" story of a willful woman attempting to find her way back to the person she once was, and of how redemption is found in the most unexpected of places (Meg Wolitzer, author of *The Interestings*).

New York Times bestselling author Roxane Gay (*World of Wakanda*, *Difficult Women*) adapts her short story "We Are the Sacrifice of Darkness" as a full-length graphic novel with writer Tracy Lynne Oliver (*This Weekend*), and artist Rebecca Kirby (*Biopsy*.) Expanding an unforgettable world where a tragic event forever bathes the world in darkness, *The Sacrifice of Darkness* follows one woman's powerful journey through this new landscape as she discovers love, family, and the true light in a world seemingly robbed of any. This young adult drama challenges notions of identity, guilt, and survival in a graphic novel for fans of *On A Sunbeam* and *Are You Listening?*

"A gorgeous debut" (Lauren Groff) from Dantiel W. Moniz, one of the most exciting discoveries in today's literary landscape, *Milk Blood Heat* depicts the sultry lives of Floridians in intergenerational tales that contemplate human connection, race, womanhood, inheritance, and the elemental darkness in us all. A livewire debut from Dantiel W. Moniz, one of the most exciting discoveries in today's literary landscape, *Milk Blood Heat* depicts the sultry lives of Floridians in intergenerational tales that contemplate human connection, race, womanhood, inheritance, and the elemental darkness in us all. Set among the cities and suburbs of Florida, each story delves into the ordinary worlds of young girls, women, and men who find themselves confronted by extraordinary moments of violent personal reckoning. These intimate portraits of people and relationships scour and soothe and blast a light on the nature of family, faith, forgiveness, consumption, and what we may, or may not, owe one another. A thirteen-year-old meditates on her sadness and the difference between herself and her white best friend when an unexpected tragedy occurs; a woman recovering from a miscarriage finds herself unable to let go of her daughter—whose body parts she sees throughout her daily life; a teenager resists her family's church and is accused of courting the devil; servers at a supper club cater to the insatiable cravings of their wealthy clientele; and two estranged siblings take a road-trip with their father's ashes and are forced to face the troubling reality of how he continues to shape them. Wise and subversive, spiritual and seductive, *Milk Blood Heat* forms an ouroboros of stories that bewitch with their truth, announcing the arrival of a bright new literary star.

One autumn morning, Jia Jia walks into the bathroom of her lavish Beijing apartment to find her husband dead. One minute she was breakfasting with him and packing for an upcoming trip, the next, she finds him motionless in their half-full bathtub. Like something out of a dream, next to the tub Jia Jia discovers a pencil sketch of a strange watery figure, an image that swims into Jia Jia's mind and won't leave. The mysterious drawing launches Jia Jia on an odyssey across contemporary Beijing, from its high-rise apartments to its hidden bars, as her path crosses some of the people who call the city home, including a jaded bartender who may be able to offer her the kind of love she had long thought impossible. Unencumbered by a marriage that had constrained her, Jia Jia travels into her past to try to discover things that were left unsaid by the people closest to her. Her journey takes her to the high plains of Tibet, and even to a shadowy, watery otherworld, a place she both yearns and fears to go. Exquisitely attuned to the complexities of human connection, and an atmospheric and cinematic evocation of middle-class urban China, *An Yu's Braised Pork* explores the intimate strangeness of grief, the indelible mysteries of unseen worlds, and the energizing self-discovery of a newly empowered young woman.

A young Mexican woman adrift in post-unification Berlin encounters romance, violence, and revelation in this "stirring and lyrical first novel" (Paul Auster, award-winning author and filmmaker). Having escaped her overbearing family in Mexico, Tatiana settles in the newly reunified city of Berlin, where she hopes to cultivate a life of solitude. But when she takes a job transcribing notes for the reclusive historian, Doktor Weiss, Tatiana's simple life becomes more complex—and more perilous. Through Weiss, she meets a young meteorologist who, as a child in East Germany, took solace in the sky's constant shape-shifting, an antidote to his grim and unchanging reality. As their three conflicting worlds begin to merge, the tension culminates in an act of violence that will leave none of them untouched. Unfolding with the logic of a dream, *Book of Clouds* is both "a stunningly accurate portrait of Berlin" and a beautiful exploration of the myths we cling to in order to give

our lives meaning. From a crowded U-Bahn where Hitler appears dressed as an old woman to an underground Gestapo bowling alley whose walls bear score marks from games long settled, Chloe Aridjis guides us through layers of history with wit and compassion, blurring the lines between real and imagined. Her debut novel is “required reading of the most pleasurable sort” (The New York Times). Named one of the 10 Best Books Set in Berlin by The Guardian.

A National Book Foundation “5 Under 35” Honoree Finalist for the PEN/Hemingway Award for a Debut Novel Shortlisted for the Center for Fiction First Novel Prize A New York Times Notable Book One of the most highly praised novels of the year, the debut from an astonishing young writer, Freshwater tells the story of Ada, an unusual child who is a source of deep concern to her southern Nigerian family. Young Ada is troubled, prone to violent fits. Born “with one foot on the other side,” she begins to develop separate selves within her as she grows into adulthood. And when she travels to America for college, a traumatic event on campus crystallizes the selves into something powerful and potentially dangerous, making Ada fade into the background of her own mind as these alters—now protective, now hedonistic—move into control. Written with stylistic brilliance and based in the author’s realities, Freshwater dazzles with ferocious energy and serpentine grace.
