Discovery Harmony is the 3rd Book in the Wishing Well, Texas Series. This is the type series that each book gets better. Though I do think that this also could be a stand alone. Hudson is the strong silent type. My favorite type...you just know that there is depth there.

Stand-alone Wishing Well romance, complete with HEA--and plenty of heat and heart along the way!One fateful night four years ago, Destiny Rose Porter gave in to her desires and ended up with a shattered heart. A heart that, with time, learned to heal and guard itself. But when Jefferson James Briggs returns to their small hometown of Wishing Well, Texas, memories of that unforgettable night come back with him....JJ Briggs knew he had started something he couldn't finish four years ago. But now, he was back to set it right. The sexy Major League pitcher never forgot about his fiery redhead. The love and passion he felt for his "Pip" never faded. They say old wounds cut deep...will JJ be able to heal the pain he caused all those years ago? Or will history repeat itself, keeping his Destiny just out of reach?

A generations-old feud is about to come to a head—and the stakes couldn't be higher with two hearts on the line—in this novel set in the small town of Harmony, Texas. Cord McMillan gave up his freedom at eighteen when he went to jail for a crime he didn't commit. Now, ten years later, he's about to give it up again for a piece of land. Nevada Britain, his neighbor, has just made him an offer he can't refuse: If he'll marry her, she'll sign over a section of property that their families have been fighting over for a hundred years. Nevada refuses to explain why, but Cord knows the bargain is in his favor. He just has one condition—she has to sleep in his bed every night for as long as their doomed marriage lasts. Nevada only wants to maintain her family's legacy—and redeem herself for a wrong she did Cord years ago. But as she spends more time with her husband by necessity, she discovers something unexpected—a love so deep it takes her breath away.

Adele Calhoun's *Spiritual Disciplines Handbook* has become a standard for those who want to expand their knowledge of spiritual practices. Now this beloved resource has been revised throughout and expanded to include thirteen new disciplines along with a new preface by the author, giving us practical guidance in our continuing journey toward intimacy with Christ.

Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

The Private Club is a three book erotic romance novella serial. What happens at the private club stays at the private club! When Meg Riley lost her job as an attorney, she never thought she'd end up working for a private club. But when she met the handsome and elusive, Greyson Twining, she knew she couldn't turn the job down; even though she didn't really know what the position entailed. Greyson Twining is the owner of the private club and he knows that it's a mistake to hire, Meg. However, there is something about the way she smiles at him that makes him forget his own reservations. And then there's the call from, Brandon Hastings telling him not to hire Meg. A call he should have listened to more closely. As Meg and Greyson embark on day one of training, neither of them realize that there are secrets about to come out that will completely alter both of their lives. Part two will be out on February 13th and part three will be out on February 20th.

Discover the sensual and sweeping power of love in New York Times bestselling author Judith McNaught's contemporary romances that will make "you laugh, cry, and fall in love again" (RT Book Reviews) now available for the first time on ebook. A rootless foster child, Julie Mathison has blossomed under the love showered upon her by her adoptive family. Now a lovely and vivacious young woman, she is a respected teacher in her small Texas town and is determined to give back all the kindness she has received, believing that nothing can ever shatter the perfect life she has fashioned. Zachary Benedict is an actor whose Academy Award-winning career was shattered when he was wrongly convicted of murdering his wife. After the tall, ruggedly handsome Zack escapes from a Texas prison, he abducts Julie and forces her to drive him to his Colorado mountain hideout. She's outraged, cautious, and unable to ignore the instincts that whispers of his innocence. He's cynical, wary, and increasingly attracted to her. Desire is about to capture them both in its fierce embrace but the journey to trust, true commitment, and proving Zack's innocence is just beginning. "A mixture of virtue and passion that is almost ahem perfect" (Kirkus Reviews) this is a captivating tale that fans will adore.

In Enid Blyton's classic Secret Stories mystery always leads to adventure. In Enid Blyton's very first full-length adventure novel, meet siblings Peggy, Mike and Nora.
