Life . . . but It's Your Carpet takes you behind the scenes to look at the training and off-the-record opinions of a certified vet, and answers all the questions you've always wanted to ask about your dog, including: Is a dog's nose a good indicator of his health? Can a Chihuahua and a Great Dane mate? Why do dogs eat their own poop? What's the smartest breed? Can I get my dog's ears pierced? Why does my dog roll around in rotting feces? If I mix food coloring with Fluffy's kibble, will it make her poop easier to find in the yard? Written by one of two hundred veterinary board-certified emergency critical-care specialists in the world, It's a Dog's Life . . . but It's Your Carpet offers factual and funny answers to some of the most common, offbeat questions about our beloved companions. Whether you're looking for advice on pet rearing, solutions to your dog's most frustrating habits, explanations of his weirdest quirks, or simply a good laugh, this book is sure to inform—and entertain—dog lovers of every breed.

Biblical Evidence That Animals Really Do Go To Heaven. If you have pets or are grieving the loss of a pet then you must read this book. We love our pets and they love us. They become part of the family and it is painful

when we have to say goodbye, however, you will be comforted to know that they are not gone forever as many people would believe. Inside this book you will get a glimpse of what heaven will be like and you will see that God loves and cares for his animals and there is indeed a place for them in heaven. In this book you will learn that animals are innocent and are not in need of salvation and that it was never our Heavenly Father's desire that we or his animals would suffer death. The pets that we had to say goodbye to are alive in heaven right now in their spiritual bodies and we will see them again if we accept Jesus as our Savior. Your Pet Is Not Gone Forever. I know how hard it is to lose a pet. I've had the pleasure of caring for many pets throughout my life and I am grief stricken every time one of them passes away. Dealing with the loss of a pet is difficult, especially when you've been taught as a child and led to believe throughout the years by misinformed people such as parents, family, and friends that they are gone forever and that you'll never see them again. After losing my Black Lab back in December 2009 and then my Golden Retriever in 2011 I decided to find out for myself what the Bible had to say about the subject. What I found out was very comforting and I know you will be comforted too when you read this book.

'Stubbs, his hair is wiry Stubbs, his breath is fiery Stubbs can't read my diary He's smelly and he's dim Stubbs licks all our dishes Stubbs destroys my wishes And we can't go to Mauritius Just because of him' So wrote Violet Peck in her diary at the beginning of the summer holiday. But thanks to Stubbs, the Peck's spoilt rotten dog, Violet does go away for the summer... to a much stranger and scarier place than she could ever dream of. And she gets much closer to the family pet than any little girl could wish. With the headstrong Stubbs on one side and Harry and Hannah, her conniving cousins on the other, Violet is plunged into a world of shop-lifting, weird science, deadly secrets and belly button rings. And she ventures to a terrifying place that no one has ever been before... so close to home, yet so very far away.
