Debut writer Rachel M Wilson drew upon her own experiences with OCD in DON'T TOUCH to get inside Caddie's head and thought process to give an authentic depiction of the anxiety associated with OCD. Though Caddie had been treated for her mental illness, she hadn't seen her therapist for about a year, which struck me odd as her behaviors spiraled out of control.

When her parents split up, Don't touch becomes Caddie's mantra. Maybe if she keeps from touching another person's skin, Dad will come home. She knows it doesn't make sense, but her games have never been logical. Soon, despite Alabama's humidity, she's covering every inch of her skin and wearing evening gloves to school.

skin and wearing evening gloves to school. And that's where things get tricky. Even though Caddie's the new girl, it's hard to pass off her compulsions as artistic quirks. Friends notice things. Her drama class is all about interacting with her scene partners, especially Peter, who's auditioning for the role of Hamlet. Caddie desperately wants to play Ophelia, but if she does, she'll have to touch Peter . . . and kiss him. Part of Caddie would love nothing more than to kiss Peter—but the other part isn't sure she's brave enough to let herself fall. From rising star Rachel M. Wilson comes a powerful, moving debut novel of the friendship and love that are there for us, if only we'll let them in.

From Rachel M. Wilson, author of *Don't Touch*, comes an eerie and utterly compelling short story about best friends Leslie and Evy, whose friendship changes when the enigmatic Marsh brothers move to town. Nina LaCour, author of *Everything Leads to You*, *Hold Still*, and *The Disenchantments*, called Rachel M. Wilson's debut novel, *Don't Touch*, "a tender love story about the beauty and the risk of showing someone who you really are," while Tim Wynne-Jones, author of *Blink & Caution*, hailed it as "fiercely compelling, darkly funny, and [a novel that] hums like a high-tension wire with energy." Epic Reads Impulse is a digital imprint with new releases each month.

I haven't left my house in over a year. My doctor says it's social anxiety, but I know the only things that are safe are made of paper. My room is paper. My world is paper. Everything outside is fire. All it would take is one spark for me to burst into flames. So I stay inside. Where nothing can touch me. Then my mom hires a tutor. Jackson. This boy I had a crush on before the world became too terrifying to live in. Jackson's life is the complete opposite of mine, and I can

tell he ' s got secrets of his own. But he makes me feel things. Makes me want to try again. Makes me want to be brave. I can almost taste the outside world. But so many things could go wrong, and all it takes is one spark for everything I love to disappear...

A poetic portrait of faith, futility, and the joy of this mortal life. In this astoundingly unique book, bestselling author N.D. Wilson reminds each of us that to truly live we must recognize that we are dying. Every second we create more of our past—more decisions, more breathing, more love and more loathing, all of it slides by into the gone as we race to grab at more moments, at more memories made and already fading. We are all authors, creators of our own pasts, of the books that will be our lives. We stare at the future or obsess about the present, but only the past has been set in stone, and we are the ones setting it. When we race across the wet concrete of time without purpose, without goals, without laughter and love and sacrifice, then we fail in our mortal moment. We race toward our inevitable ends without artistry and without beauty. All of us must pause and breathe. See the past, see your life as the fruit of providence and thousands of personal narratives. What led to you? You did not choose where to set your feet in time. You choose where to set them next. Then, we must see the future, not just to stare into the fog of distant years but to see the crystal choices as they race toward us in this sharp foreground we call the present. We stand in the now. God says create. Live. Choose. Shape the past. Etch your life in stone, and what you make will be forever.

Folksy and fresh, endearing and affecting, *Fried Green Tomatoes at the Whistle Stop Cafe* is a now-classic novel about two women: Evelyn, who ' s in the sad slump of middle

age, and gray-headed Mrs. Threadgoode, who ' s telling her life story. Her tale includes two more women—the irrepressibly daredevilish tomboy Idgie and her friend Ruth—who back in the thirties ran a little place in Whistle Stop, Alabama, offering good coffee, southern barbecue, and all kinds of love and laughter—even an occasional murder. And as the past unfolds, the present will never be quite the same again. Praise for Fried Green Tomatoes at the Whistle Stop Cafe “ A real novel and a good one [from] the busy brain of a born storyteller. ” —The New York Times

“ Happily for us, Fannie Flagg has preserved [the Threadgoodes] in a richly comic, poignant narrative that records the exuberance of their lives, the sadness of their departure. ” —Harper Lee “ This whole literary enterprise shines with honesty, gallantry, and love of perfect details that might otherwise be forgotten. ” —Los Angeles Times
“ Funny and macabre. ” —The Washington Post
“ Courageous and wise. ” —Houston Chronicle

The gripping first installment in New York Times bestselling author Tahereh Mafi ' s Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she ' s reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don ' t miss Defy Me, the shocking fifth book in the Shatter Me series!

In this “ raw and well-crafted (Kirkus Reviews) ” romance, Bea learns that some things just can ' t be controlled. When

Bea meets Beck, she knows instantly that he ' s her kind of crazy. Sweet, strong, kinda-messed-up Beck understands her like no one else can. He makes her feel almost normal. He makes her feel like she could fall in love again. But despite her feelings for Beck, Bea can ' t stop thinking about someone else: a guy who is gorgeous and magnetic...and has no idea Bea even exists. But Bea spends a lot of time watching him. She has a journal full of notes. Some might even say she ' s obsessed. Bea tells herself she ' s got it all under control. But this isn ' t a choice, it ' s a compulsion. The truth is, she ' s breaking down...and she might end up breaking her own heart.

Jack's parents have been chased out of Tokyo, gone broke in Greece, and hosted Nairobi's least successful safari. Next they ' re taking Jack on a Caribbean vacation—whether Jack wants to go or not. The Berensons are about to start a snorkeling business. It's their latest get-rich-quick scheme. With these experienced world travelers at the helm, what could go wrong? Jack's used to staying indoors and not taking chances. When his parents take him out on the water, he ends up shipwrecked. Now Jack has to survive on a tropical island...and avoid a whale shark that's swimming near the beach.

If there is one thing that seventeen-year-old Rain knows and knows well, it is survival. Caring for her little brother, Walker, who is "Touched," and losing the rest of her family to the same disease, Rain has long had to fend for herself on the bleak, dangerous streets of Earth City. When she looks to the stars, Rain sees escape and the only possible cure for Walker. And when a darkly handsome and mysterious captain named Johnny offers her passage to the Edge, Rain immediately boards his spaceship. Her only price: her

"willingness." The Void cloaks many secrets, and Rain quickly discovers that Johnny's ship serves as host for an underground slave trade for the Touched . . . and a prostitution ring for Johnny's girls. With hair as red as the bracelet that indicates her status on the ship, the feeling of being a marked target is not helpful in Rain's quest to escape. Even worse, Rain is unsure if she will be able to pay the costs of love, family, hope, and self-preservation. With intergalactic twists and turns, Cori McCarthy's debut space thriller exists in an orbit of its own.

Inspired by Judy Blume ' s Forever and Virginia Woolf ' s Mrs. Dalloway, this novel that Andrew Smith calls " beautiful, enchanting, [and] exquisitely written " is a new classic about teenage relationships, self-acceptance—and what happens when the walls we build start coming down. A Kirkus Best Book of 2017! Adam Thorn doesn ' t know it yet, but today will change his life. Between his religious family, a deeply unpleasant ultimatum from his boss, and his own unrequited love for his sort-of ex, Enzo, it seems as though Adam ' s life is falling apart. At least he has two people to keep him sane: his new boyfriend (he does love Linus, doesn ' t he?) and his best friend, Angela. But all day long, old memories and new heartaches come crashing together, throwing Adam ' s life into chaos. The bindings of his world are coming untied one by one; yet in spite of everything he has to let go, he may also find freedom in the release. From the New York Times bestselling author of A Monster Calls comes a raw, darkly funny, and deeply affecting story about the courage it takes to live your truth.
