Twenty-six-year-old Kyla is admittedly a late bloomer. She prefers to remain within the comfort zone of her supportive family, her loyal sweetheart, and her close-knit group of friends. When she returns to the local university for her eighth year as a part-time student, she is surprised by a physical attraction and emotional bond that she forms with Steph, another female classmate. Uncertain and fearful, Kyla must decide whether to continue the now lopsided relationship with her trusting boyfriend of four years, or submit to unfamiliar passions felt toward another woman. Brace yourself for this passionate journey for an answer to the common question, "Who am I?" You'll relate to the comical questions Kyla shares with her friends, connect with her thoughts as she silently questions life's everyday activities, and empathize with her as she struggles with the unknown. Hold on tight, and get ready for the ride of your life.

If you're a fan of contemporary romance by Bella Andre, Lora Leigh, Maya Banks, Jaci Burton, and Shayla Black, then don't miss the Prescott twins. First up is Kristin's story in "Double the Pleasure". Hitting the big 3-0 birthday like a brick wall, shy, reserved Kristin Prescott just has to break out of her sensible shoes and buttoned-up blouses and find herself a man. And the only one who will do is Ross Sloan, her sexy boss. The problem is, she isn't Ross's type; he prefers sensual, seductive women like her identical twin. But Kristin isn't sure she can let go of her inhibitions. Unless she pretends to be her twin sister. Ross Sloan has lusted after his secretary, Kristin Prescott, since the moment she walked into his office. When she seduces him while playing the role of her twin sister, he sees through her masquerade immediately. But Ross wants both sides of Kristin: the prim, efficient woman who runs his office and the passionate woman she exposes in the guise of her sister. Forcing Kristin to release her inhibitions and claiming the desirable woman beneath the facade becomes his ambition. But will the pleasure cost them their business relationship? Or can they have both? Don't miss Book 2, "Skin Deep", Kirby Prescott's sensual story.
