A riveting thriller from the acclaimed “ King of South African crime ” and the author of Blood Safari: “ Deon Meyer is one of the unsung masters ” (Michael Connelly). Deon Meyer is a world-class writer whose page-turning thrillers probe the social and racial complexities of his native country. In Cobra, a famous English mathematician is kidnapped and his two bodyguards are killed at a guesthouse in the beautiful wine country outside Cape Town. It ’ s clearly a professional hit, and the spent shell cases offer a chilling clue: each is engraved with the head of a spitting cobra. Meanwhile, in the city, a skilled thief is using his talents to put his sister through college. But he picks the wrong pocket, grabbing the wallet of a young American woman delivering something very valuable and dangerous to South Africa. The thief not only becomes the target of the deadly hit man known as the Cobra, but unwittingly holds the key to stopping a deadly international threat. It ’ s up to Captain Benny Griessel and his elite investigation team to find the pickpocket and track down the Cobra as the novel hurtles toward a brilliant, heart-stopping finale on the suburban commuter trains. “ Mr. Meyer, the leading thriller writer in his native country, traffics in crime-novel situations familiar the world over: drunken cops, charming robbers, dangerous murderers, sudden violence—and sometimes, issues of race. ” —The Wall Street Journal

This series featuring South African detective Benny Griessel “ is one of the high points of contemporary crime fiction ” and “ Icarus is his best yet ” (The Guardian). When a plastic-wrapped corpse is found amidst the sand dunes north of Cape Town,

it doesn't take long for the police to identify the body as Ernst Richter—the tech whiz behind MyAlibi, an Internet service that provides unfaithful partners with sophisticated cover stories to hide their affairs. The murder quickly becomes the subject of fierce media speculation, with questions swirling about potential motives and perpetrators. Maybe it was one of MyAlibi's countless jilted spouses, or perhaps an aggrieved client. With a spotlight shining on the investigation, detective Benny Griessel's boss wants him on the case—and he won't take no for an answer. Before the week is out, a connection to a storied family winery comes to light and adds another layer of tension. But Griessel will have to make sure his suspicions are beyond the shadow of a doubt—or it might be his head on the chopping block. “Meyer . . . has long been hailed as South Africa's greatest crime writer. Icarus places him firmly in the top international league.” —The Times (London) “Meyer has perfected structure and pace, reveals and red herrings, chapter beats, plot and subplot but he enriches the story with fascinating detail.” —The Sunday Times “A meticulously crafted portrait of modern-day South Africa, Icarus is a spellbinding tour de force.” —New York Journal of Books

The one-and-only original, Earl Nightingale's *Strangest Secret* endorsed by Nightingale Conant. *The Strangest Secret* is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale's own words: “The only man who succeeds is the man who is progressively realizing a worthy ideal.” In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. *The Strangest Secret* is a practical guide for accelerated prosperity so that you can quickly rise to the top, becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill's *Think and Grow Rich* that “we become what we think about,” Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek.
