German history and fantasy novel author Rainer M. Schröder wrote the trilogy Die Bruderschaft vom Heiligen Gral (The Brotherhood of the Holy Grail) about a group of four Knights Templar who save the Grail from the Fall of Acco 1291 and go through an Odyssey to bring it to the Temple in Paris in the first two books, Der Fall von Akkon (2006) and Das Amulett der Wüstenkrieger (2006), while defending the holy relic from the attempts of a satanic sect called Iscarions to steal it.

Christian attempt to tell the other half of the greatest story ever told. In the end, it is the story of a romance strong enough to heal a wasted world.

Dynasty of the Holy Grail: Mormonism's Sacred Bloodline ...

Since 1977 I have written fifteen books on various topics, most on art history, since that was my Ph.D. major at the Courtauld Institute of Art in London. It surprised everybody but my friends, when after 27 years of research and writing, the first edition of The Dynasty of the Holy Grail (2006) came out. The question why I spent so much time, effort, political capital, and money doing something so far outside my scholarly field behoved many.

If you are fascinated by both religious and scholarly concepts on why we, Humankind, are here on Earth, Dr. Swanson's Dynasty of the Holy Grail is a major contribution to us all on both levels. Dr. Swanson's research on the meaning of and probability of a Living Royal Bloodline descending directly from Christ, and in all liklihood Mary Magdalene, is convincing, up-lifting and provocative.

The Holy Blood and the Holy Grail is a book by Michael Baigent, Richard Leigh and Henry Lincoln. The book was first published in 1982 by Jonathan Cape in London as an unofficial follow-up to three BBC Two TV documentaries that were part of the Chronicle series. The paperback version was first published in 1983 by Corgi books. A sequel to the book, called The Messianic Legacy, was originally published in 1986. The original work was reissued in an illustrated hardcover version with new material in

One of the most thought-provoking literary works on the Holy Grail and the bloodline of Jesus Christ, Dynasty of the Holy Grail is the product of twenty-eight years' research by author Vern G. Swanson. Far beyond recent bestsellers on the subject, it is, without a doubt, the most significant publication ever produced on the subject.

The story of King Arthur and the quest for the Holy Grail is well known; less so is that of the coming of Christianity to Britain at around the time of the Roman invasion. It is generally assumed that both these legends revolve around town of Glastonbury, yet the paucity of evidence for this assumption has always been troubling to those who like their history to be founded on fact. In this extraordinary book, Adrian Gilbert reveals the location to be not just of the true 'Avalon' or 'Glastonbury' but of many other sites crucial to the Arthurian legend. He shows how the core teachings of Christianity were kept secret by a dynasty of Welsh kings and

Bookmark File PDF Dynasty Of The Holy Grail Mormonisms Sacred Bloodline

saints and later (after the Norman invasions) by their surviving descendants. For centuries this remnant of the Britanno-Welsh nobility, still living in 'Avalon', kept alive a hope: they prayed that one day a new Arthur, one with the holy blood of the family of Mary flowing in his veins, would sit once more on the throne of Britain. Extraordinary as it may seem, this hope may soon be realised - for through the late Diana, Princess of Wales, our own Prince William, whose middle name is indeed Arthur, is so descended.

From royal and suppressed archives comes documented proof of the heritage of Jesus in the West and the long awaited discovery of the Holy Grail. In fulfilling this time-honored quest, penetrating new light is cast upon the Grail Code of Service and the venerated feminine element, upheld in chivalry but forsaken by the Church in order to forge a male dominated society. This unique work offers revelatory insight concerning the descendant heirs of Jesus and his brother James while, in documenting a hidden legacy of the Messiah, it unveils hitherto guarded facts about characters such as Mary Magdalene and Joseph of Arimathea. Tracing the sacred lineage through centuries of persecution and Inquisition, Bloodline of the Holy Grail reveals a systematic suppression of authentic records and a strategic manipulation of the New Testament Gospels. Featuring all the charm and adventure of Arthurial romance, coupled with enthralling Rosicrucian and Templar disclosures, this extraordinary work has a cutting edge of intrigue that removes the established blanket of enigma to expose one of the greatest conspiracies ever told.

The existence of the Holy Grail has long been debated, and many of these debates focus on the intellectualized or psychological aspects of it. This work explores the events that

gave rise to the legend of the Holy Grail and pays special attention to the texts that form the body of the legend, as well as historical facts about the life of Christ, the Crusades, and the fall from grace of the Knights Templar. The book examines the legitimacy of the claims made by several present-day believers and also introduces a new theory of multiple grails (and the evidence supporting this theory), which, the author believes, answers many of the otherwise unanswered questions surrounding the Holy Grail.

Recently discovered parchments in the Egyptian University of Al-Azhar have finally made it possible to retrace the spot where the Holy Grail has been kept for the last 1,000 years. The authors, a medieval history lecturer and an art historian, came across the clues leading to the Grail's discovery by chance when carrying out research in Cairo. The evidence in the ancient Egyptian parchments led them on a three-year investigation as they traced the Grail's journey across the globe and discovered its final resting place in the Basilica of San Isidoro in León, Spain. This is the definitive guide to one of history's most sought-after treasures, the origin and object of both Arthurian myth and Christian legend, offering objective information to support an extraordinary discovery, and looks back at the origins of Judaism and Catholicism, the significance of the Last Supper, and relics previously associated with the Grail. The Kings of the Grail presents the new, definitive historical and scientific facts that have come to light, unravelling the mystery that has surrounded the Holy Grail and taking the reader on a compelling and thought-provoking journey.

It is said that Rosslyn Chapel is the last resting place of the Holy Grail and that the fabulous treasure is buried in its secret vaults. This text is the story of this mysterious chapel in

Scotland, taking the reader on a voyage of discovery.

Uses the principles of sacred geometry, archaeological evidence, and Native American legend to discover the site of a secret Templar settlement in Nova Scotia • Offers evidence that Scottish prince Henry Sinclair not only sailed to the New World 100 years before Columbus, but that he also established a refuge there for the Templars fleeing persecution • Shows that the Grail, the holy bloodline connecting the House of David to the Merovingian dynasty through Jesus and Mary Magdalene, was hidden in the New World In 1398, almost 100 years before Columbus arrived in the New World, the Scottish prince Henry Sinclair, Earl of Orkney, sailed to what is today Nova Scotia, where his presence was recorded by Micmac Indian legends about Glooskap. This was the same Prince Henry Sinclair who offered refuge to the Knights Templar fleeing the persecution unleashed against the order by French king Philip the Fair at the beginning of the 14th century. With evidence from archaeological sites, indigenous legend, and sacred geometry handed down by the Templar order to the Freemasons, author William F. Mann has now rediscovered the site of the settlement established by Sinclair and his Templar followers in the New World. Here they found a safe refuge for the Grail--the holy bloodline connecting the House of David to the Merovingian Dynasty through the descendants of Jesus and Mary Magdalene--until the British exiled all the Acadians in 1755.

This fifth printing of the best-selling Holy Grail Across the Atlantic offers some fascinating interpretations of early Canadian history that you may prefer to doubt - but will not be able to forget! When the fortress of MontsAgur, reputed sanctuary of the great religious treasure of the Templars was

Sacked by forces of the Inquisition in 1244, did the Templars manage to escape with the Holy Grail? Legends insist that the Holy Grail was taken to safety before the doomed citadel was stormed. Was a castle in Nova Scotia the new haven for the Holy Grail? Is the famous and mysterious "money pit" on Oak Island in Mahone Bay connected with a desperate and courageous attempt to save the Holy Grail? Was Samuel de Champlain a secret agent for the Grail Dynasty, and did his maps and journals purposely obscure the location of the Grail's secret refuge in Acadia? And later on, was the Holy Grail transported to a new haven in Montreal founded by a mysterious secret society?
