The Picts were a group of Celtic-speaking peoples who lived in what is today eastern and northern Scotland during the Late British Iron Age and Early Medieval periods. Where they lived and what their culture was like can be inferred from early medieval texts and Pictish stones. Their Latin name, Picti, appears in written records from Late Antiquity to the 10th century. They lived to the north of the rivers Forth and Clyde. Early medieval sources report the existence of a distinct Pictish language

Hector Munro Chadwick (1870-1947) was a literary critic and historian, who made notable contributions to the development of philology. Originally published in 1949, this book was edited and completed after Chadwick's death by his wife, Nora Kershaw Chadwick (1891-1972), another prominent literary scholar. The text presents a detailed study of life in early Scotland, encompassing the Picts, the Scots, and the Welsh of southern Scotland. Numerous illustrative figures and detailed notes are also included. This is a fascinating book that will be of value to anyone with an interest in Scottish and Celtic history.

Stuart McHardy examines the Pictish symbols which have been discovered on various items across Scotland. The book sets out a cohesive interpretation of the Pictish past, using a variety of both temporal and geographical sources. This interpretation serves as a backdrop for his analysis of the symbols themselves, providing a context for his suggestion that there was an underlying series of ideas and beliefs behind the creation of the symbols.
