Communication Skills for Health and Social Care acts as an accessible introduction to the wide range of communication skills needed for contemporary health and social care practice. Presented in a unique dictionary format that is easily navigated, the book is an ideal resource for students and trainees, as well as busy practitioners. Author Bernard Moss begins the book with a comprehensive introduction outlining the place that communication skills have in health and social care practice and education. The format of each entry provides an overview to the topic as well as interactive exercises that help develop the readers' knowledge, awareness, and skills levels.

Fully accredited for the new ICDL syllabus for Office 2003, ICDL 4: The Complete Course book offers everything candidates need to pass the ICDL exam.

Here's the book you need to prepare for the seven modules required for the European/International Computer Driving License qualification.
