This family saga from a National Book Award finalist is a “brilliantly orchestrated tale of several generations of Washington, D.C., insiders” (Booklist). In this epic and acutely observed novel, three generations of a family of Washington power brokers vie for influence over the fate of the nation. In the 1930s, Sen. Adolph Behl and his wife, Constance, buy historic mansion Echo House with the vision of transforming it into Washington's greatest salon—an auspicious base camp from which the senator can launch his “final ascent,” and son Axel can prepare his first. Across decades of secrets, betrayals, victories, and humiliations, the Behl family will fight to remain near the center, and behind the scenes, of American political power—from the New Deal to Watergate and beyond. “A fascinating if ultimately painful fairy tale, complete with . . . a family curse . . . The decline of the Behls represents the decline of Washington from the bright dawn of the American century into the gathering shadows of an alien new millennium.” —The Washington Post “Puts the standard run-of-the-mill Washington novel to shame . . . It is Mr. Just's intimate portrait of the city that makes his book so convincing.” —TheNew York Times “Will be read in a century's time by anyone seeking to understand how we lived.” —Detroit Free Press “[Ward's] stories put him in the category reserved for writers who work far beyond the fashions of the times. . . . Masterpieces of balance, focus, and hidden order.” —Chicago Tribune “He has earned a place on the shelf just below Edith Wharton and Henry James.” —Newsweek

2016 Newbery Honor Book New York Times Bestseller An impassioned, uplifting, and virtuosic tour de force from a treasured storyteller! Lost and alone in a forbidden forest, Otto meets three mysterious sisters and suddenly finds himself entwined in a puzzling quest involving a prophecy, a promise, and a harmonica. Decades later, Friedrich in Germany, Mike in Pennsylvania, and Ivy in California each, in turn, become interwoven when the very same harmonica lands in their lives. All the children face daunting challenges: rescuing a father, protecting a brother, holding a family together. And ultimately,

pulled by the invisible thread of destiny, their suspenseful solo stories converge in an orchestral crescendo. Richly imagined and masterfully crafted, Echo pushes the boundaries of genre, form, and storytelling innovation to create a wholly original novel that will resound in your heart long after the last note has been struck.

Davian has won a victory for the Augurs, but treachery surrounds him and his allies on all sides in the second book of the acclaimed Licanus Trilogy, in which "fans of Robert Jordan and Brandon Sanderson will find much to admire." (The Guardian) Following a devastating attack, an amnesty has been declared for all Augurs -- finally allowing them to emerge from hiding and openly oppose the dark forces massing against the land of Andarra. The Augur Davian and his new allies hurry north toward the ever-weakening Boundary, but fresh horrors along their path suggest that their reprieve may have come far too late. The new Northwarden, his ally in the Capital, contends with assassins and politicians and uncovers a dangerous secret. Meanwhile, their compatriot Asha begins a secret investigation into the disappearance of the Shadows. And Caeden races against time to fulfill a treacherous bargain, but as more and more of his memories return, he begins to realize that the two sides in this ancient war may not be as clear-cut as they first seemed. . .

NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL TIME FOR ME TO COME HOME FOR CHRISTMAS! The fireplace is lit, the snow is falling, and sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackelford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackelford, Time for Me to Come Home is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. "It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song."

Join Bradley, Jason, Archer, and Tim on this exploration into myth and mystery. Debuting on the New York stage, Zara is unprepared -- for Eli, the girl who makes the world glow; for Leopold, the director who wants perfection; or for death in the theater. Zara Evans has come to the Aurelia Theater, home to the visionary director Leopold Henneman, to play her dream role in Echo and Ariston, the Greek tragedy that taught her everything she knows about love. When the director asks Zara to promise that she will have no outside commitments, no distractions, it's easy to say yes. But it's hard not to be distracted when there's a death at the theater -- and then another -- especially when Zara doesn't know if they're accidents, or murder, or a curse that always comes in threes. It's hard not to be distracted when assistant lighting director Eli Vasquez, a girl made of tattoos and abrupt laughs and every form of light, looks at Zara. It's hard not to fall in love. In heart-achingly beautiful prose, Amy Rose Capetta has spun a mystery and a love story into an impossible, inevitable whole -- and cast lantern light on two young women, finding each other on a stage set for tragedy.

For twenty years, God has been leading, guiding, and preparing author Mari D. Martin to walk alongside her husband, Chris, through a throat cancer diagnosis, the treatment of that cancer, the recovery from the side effects of the treatments, and then through rehabilitation to return to what will be his new normal. In Come Home Alive, Mari shares the oftentimes tender story of their six-part plan to come home alive. She narrates how the couple used their twenty-four years as Kolbe Certified consultants to practice what they taught, consulted, and coached others regarding self-awareness, strengths identification, communication needs, role alignment, and the environment each person needs to thrive. For Chris to thrive again, he needed to heal; and for him to heal, he needed to be in an environment that allowed him to thrive. Come Home Alive tells how Mari's role as caregiver was to stay true to herself, while also being the hands and feet to recognize, minimize, and complete the tasks and requirements Chris naturally resisted. Their plan, rooted in faith, and hope, started with daily time together in prayer and belief in the healing power of God. It ended with a practice of thankfulness and expecting a miracle. What they did together in the middle is one you can do, too—through greater awareness of each other's strengths, how to work together, and be a team with the knowledge and wisdom to come home alive.

beautiful eyes. He's living an idyllic existence in the Italian countryside with Cockroft, a composer in exile. Until, that is, the mysterious and malevolent 'Bosnian' comes to stay. How will the stranger affect the bond between dog and master? Timoleon Vieta Come Home is a free-wheelin' take on the Lassie legend, deeply moving and hysterically funny.
