When the Callahans found Katya they soon discovered that she was the most powerful Time Pilgrim they'd ever employed at their time research facility, National. However, they soon discover she's plagued with a condition known as temporal amnesia. She can't remember what year she's from and is trying to locate her roots. Because of Katya's time displacement, she's not matured physically beyond the age of twenty, although she's much older. She becomes a sponge in every time period she visits, soaking up the culture and instantly becoming one with the period. Katya and Cyrus-the Callahans' son-develop a love interest along with a powerful time travel partnership. Before Katya came into his life, Cyrus was all business. Katya shows him that time can sometimes be traveled just for the sheer fun of it, while still trying to fight off temporal attacks by Sundial, an adversarial time organization.

Vanda Barkowski is in trouble. As the owner of a hot nightclub, she's more unconventional than most of her fellow vampires, and if some think her a little out of control, then so be it. But after three former employees filed a complaint about her temper, Vanda is sentenced to an anger management class. Worse, Phil Jones agreed to be her sponsor. Phil, the mortal who is forbidden to her . . . If Vanda knew who-or what-Phil really is, she'd reconsider her attraction to him, for his true nature is wilder than anything she'd ever imagined. He has tackled the beast within and now is the perfect person to help Vanda with her rage . . . if only he can keep his cool when she makes him so undeniably hot. But with rogue vamps on the loose, will they ever have their forbidden nights?

A debut novel from the bestselling author of Queen Bees and Wannabes! Charlie Healy just wants a drama-free year, but it doesn't seem like she's going to get it. The dean of American golf writers pays tribute to the nation's greatest tournament Over the course of his forty-year career at the New Yorker and Sports Illustrated, Herbert Warren Wind covered the game of golf from many different angles, providing readers with eloquent insights on the iconic courses of Scotland as well as Bing Crosby's lifelong love affair with the sport. But no aspect of golf was closer to Wind's heart, or more intimately associated with his name, than the annual Masters Tournament at Augusta National Golf Course. Recounting Arnold Palmer's victory in 1958, Wind coined the phrase "Amen Corner" to describe the fateful stretch of golf course including the 11th, 12th, and 13th holes. To celebrate the fiftieth anniversary of the first Augusta National Invitation, held in 1934, Wind eloquently recounted a half-century's worth of highlights, from Bobby Jones's original vision of an informal competition between his old friends and the game's rising stars, to Ben Crenshaw's impressive defeat of Tom Watson in the 1984 tournament. Full of the grand traditions-including green jackets, purple azaleas, and white jumpsuits-and dramatic moments that have made the Masters the most entertaining of the four major championships, America's Gift to Golf brings the history of this majestic tournament to vivid life and testifies to the enduring legacy of Herbert Warren Wind.

An Amazon #1 Bestseller in African American Romance An Amazon #1 Bestseller in Multicultural Romance An Amazon #1 Bestseller in African American Literature Even good girls make mistakes. Kira Taylor was shocked to meet her boss's handsome, long-absent son and find him even more lethal in the flesh. He'd always been just a face in a photo - and nothing had prepared her for the way they clashed and burned when they finally met. Blake Carter returned to America for a reunion with a father he hadn't seen since he was ten. But Blake had never bargained for falling for his father's sexy secretary, the beautiful and impressionable Kira Taylor... Blake caught one glimpse of the gorgeous beauty from across the crowded room and felt the primal taste of desire like he'd never known. The sparks were more antagonism than attraction on her part as they collided over differences about the way he treated his father. But Blake had very strong persuasive skills when it came to bringing the vulnerable Kira to bend to his carnal passions... Excerpt: His eyes narrowed, smile disappearing once again. "You're going to come out of the tub right now; unless you want me to help you out myself?" Glaring at him hatefully, Kira muttered feelingly, "Damn you, Blake." But he merely smiled. She knew he realized she had no choice but to give in. And the water was starting to cool uncomfortably. He straightened, holding up the towel patiently. Taking a deep breath, Kira rose from the water, resisting the urge to place her arms across her nudity. Even though she knew he was looking at her unabashedly. He wrapped the towel securely around her streaming body and waited until she'd stepped out onto the bathmat before surprising her by swinging her easily off her feet and into his arms, carrying her back into the bedroom. "Really, Blake?" she muttered, instinctively wrapping her arms around his neck and fighting the pounding in her chest at how easily he'd lifted her, as if she weighed little more than a bag of feathers. In the bedroom, he placed her gently down to stand on the thick rug and Kira instantly curled her toes into the thickness underfoot. The room was deliciously warm by now, a beautiful June night in London. What wasn't great though was Blake doing the unexpected and whipping the towel off her slightly damp body. Kira gasped. She felt too paralyzed with shock to move. What on earth...? "Why would you wish to deny me the pleasure of seeing your gorgeous body, Kira?" he asked softly, head cocked to one side. He held her gaze with almost hypnotic intensity. "You're unbelievably beautiful and now you're mine." Kira didn't know what to say. She felt outraged, and...well, a bit goey in places as she let his words wash over her. She'd sworn to herself he'd never again get a glimpse of her without her clothes on but she couldn't have foreseen this scenario.
