set of essays traces how texts responded to great historical and social change. With a comprehensive bibliography, timeline and index, this volume will be an important resource for research and teaching in the field.

Introduces the elements considered essential to English literature, in which writing became more personal and had a new sense of humanity.

The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new flowering of the imagination and the spirit, and a celebration of the soul of humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson. We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

The Romantic Period was one of the most exciting periods in English literary history. This book provides a comprehensive and up-to-date account of the intellectual and cultural background to Romantic literature. It is accessibly written and avoids theoretical jargon, providing a solid foundation for students to make their own sense of the poetry, fiction and other creative writing that emerged as part of the Romantic literary tradition.
