Uses vocabulary words in context to test verbal aptitude and prepare students for PSAT, SAT, and GRE, professional and civil service qualifying exams. Focuses on the sentence completion question by offering practice in finding words in context. Each question contains a sentence with a fill-in-the-blank space. Correct answers are fully explained using their definitions, to reinforce skills. Topics include sentence structure mechanics (subject-verb agreement, modifiers -- adjectives, adverbs, etc., paragraph structural development, and essay questions formatting.

Covering over 10,000 idioms and collocations characterized by similarity in their wording or metaphorical idea which do not show corresponding similarity in their meanings, this dictionary presents a unique cross-section of the English language. Though it is designed specifically to assist readers in avoiding the use of inappropriate or erroneous phrases, the book can also be used as a regular phraseological dictionary providing definitions to individual idioms, clichés, and set expressions. Most phrases included in the dictionary are in active current use, making information about their meanings and usage essential to language learners at all levels of proficiency.

The best-selling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible exercises, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This updated Twelfth Edition reflects the latest updates to English usage and grammar and features a two-color design and lay-flat binding for easy photocopying. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Get It Right: Spelling, Punctuation and Grammar Workbook 3 provides accessible spelling, punctuation and grammar practice for 11-14 year old students. This Answer Book provides answers for activities in Get It Right: Spelling, Punctuation and Grammar Workbook 3.

How do we find the right word for the job? Where does that word come from? Why do we spell it like that? And how do we know what it means? Words are all around us - we use them every day to communicate our joys, fears, hopes, opinions, wishes and demands - but we don't often think about them too deeply. In this highly accessible introduction to English words, the reader will discover what the study of words can tell them about the extraordinary richness and complexity of our daily vocabulary and about the nature of language in general. Assuming no prior knowledge of linguistics, the book covers a wide range of topics, including the structure of words, the meaning of words, how their spelling relates to pronunciation, how new words are manufactured or imported from other languages, and how the meaning of words changes with the passage of time. It also investigates how the mind deals with words by highlighting the amazing intellectual feat performed routinely when the right word is retrieved from the mental dictionary. This revised and expanded second edition brings the study of words right up to date with coverage of text messaging and email and includes new material on psycholinguistics and word meaning. With lively examples from a range of sources - encompassing poetry, jokes, journalism, advertising and clichés - and including practical exercises and a fully comprehensive glossary, English Words is an entertaining introduction to the study of words and will be of interest to anyone who uses them.

Improve the writing and speaking skills you use everyday Graceless with grammar? Perplexed by punctuation? A concise summary of Japanese grammar is presented for beginning students of the language. Topics include parts of speech, sentence structure, idioms, and pronunciation advice. All Japanese words are presented phonetically. Important points of grammar or vocabulary, as well as subject heads, are printed in a second color as a quick-reference aid for students. New to this edition is a Japanese-English vocabulary list.

For students who want to learn the nuts and bolts of English grammar A generation ago, the United States public school system stopped formal instruction in English grammar and consequently created a legion of students and professionals notoriously weak in writing and language skills. English Grammar for the Utterly Confused is a must-have for anyone who gets that “deer-in-the-headlights” look when asked to recognize a misplaced modifier or even find the verb in a sentence. This user-friendly, witty guide helps everyone—from students taking the GED to professionals writing business plans—learn the structures of English grammar and how to use them easily and proficiently. Demystifying grammar once and for all, this handbook will help all readers acquire the ability to speak and write competently, correctly, and confidently. Key features include: Exercises throughout to develop facility in writing skills Clear explanations of complex concepts Handy icons More than 200 solved problems and examples Test Yourself section in each chapter

Language issues are intrinsically part of every classroom setting. Therefore, there is a need to present the linguistic perspective to all teachers and teachers-in-training. This perspective assumes that people internally organize language at different levels, each with its own set of organizing principles, and proposes that this complex system is learned by children at an early age and with little conscious instruction. It recognizes that languages change over time and that variation, based on region, ethnic identity, gender, social class, and social context, is inherent to language. Focusing more on the practical than the theoretical, Barry aims to engage teachers and education students in discussion of the relevance of linguistics to teaching and to encourage them to bring their own expertise to the discussion.
