Your cover letter is what decides if a company looks at your resume, contacts you for an interview, or gets you placed in the rejection pile. Knowing that, it is important to create a well-written, eye-catching letter that sells your achievements and job skills to impress the recruiter. However, many people are unable to effectively translate their thoughts into words when faced with the task. That is where The Complete Guide to Writing Effective Resume Cover Letters comes in. With this book you will be able to craft a letter that will undoubtedly land you the interview. In this new book, you will learn how to address your letter, how to grab the reader's attention immediately, how to format your letter, how to choose the font, how to be professional but persuasive, how to choose the type of paper, and how to target your letter. You will also learn about writing the different kinds of letters, including those in response to a classified advertisement, those in response to a blind advertisement, those sent to employment agencies, cold letters, and broadcast letters; writing style guidelines; what to include in your letter; writing for an online audience; cover letter styles; and common mistakes recruiters abhor. Additionally, you will find examples of effective and ineffective letters, proven tips for making your letter stand out, sample phrases to use, and letters for new graduates, for professionals, and for those changing careers. Also included are samples specific to job industries, including administration and clerical; accounting; banking and finance, government; health care and social services; hospitality and food service; human resources; law enforcement and legal; manufacturing; sales, marketing, and customer service; skilled trades; technology; and science and engineering. The companion CD-ROM is packed with samples and worksheets to help you brainstorm and create a successful cover letter. By following the step-by-step instructions outlined in The Complete Guide to Writing Effective Resume Cover Letters you will ensure that your letter will impress the recruiter and that you will be contacted for an interview. In the end you will create a tool that will be of enormous importance to you in your job search. The companion CD-ROM is included with the print version of this book; however is not available for download with the electronic version. It may be obtained separately by contacting Atlantic Publishing Group at sales@atlantic-pub.com Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president\u00e6(tm)s garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Hispanic Engineer & Information Technology is a publication devoted to science and technology and to promoting opportunities in those fields for Hispanic Americans.

Using the right phrases at the right moment can make all the difference! It can generate real interest in you, provoke more questions, and show an interviewer that you are the right person for the job. The same applies to written communications such as letters or emails and to voice mail messages. Like learning a foreign language, these phrases, when practiced carefully and used properly, become natural and powerful techniques by which to express oneself. The advice, materials and phrases in Beyond the Resume arm you with appropriate actions to take and phrases to use. It is not the intent of the book to "prop you up" to sound like someone you are not. Instead, it is to help you speak to your strengths, experiences, and jo] know-how. The book is a "soup to nuts" kind of book that takes you from the point of initial contact with the hiring authority, through interviewing, and on to closing the deal.
