Due to shifts in the

contexts of the  
production and

presentation of the

music video, more and

more people start to talk

about a possible end of

this genre. At the same

time disciplines such as

studies, art- and music-  
history begin to realize  
that despite the fact that  
the music video  
obviously has come of  
age, they still lack a  
well defined and  
matching methodical  
approach for analyzing  
and discussing  
videoclips. For the first
