A revealing biography of Britain's future king by a New York

Get Free Esstisch Buche Miv Ausziehbar

Times–bestselling author the Wall Street Journal hails “the Godfather of royal reporting.” With exclusive interviews and extensive research, King Charles delivers insight into the life of His Royal Highness, the Prince of Wales, as he nears the throne at a watershed moment in modern history and in the British monarchy. Author Robert Jobson debunks the myths about the man who will be king, going beyond bogus media caricatures of Charles to tell his true story. Jobson—who has spent nearly thirty years chronicling the House of Windsor, and has met Prince Charles on countless occasions—received unprecedented cooperation from Clarence House, the Prince’s office, in writing this biography. King Charles divulges the full range of the Prince’s political beliefs: the United Kingdom’s special relationship to the United States, climate change, Brexit, and immigration—to ultimately portray the kind of monarch Charles III will be. Jobson taps a number of sources close to the Prince who have never spoken on the record before, plus members of the Royal Household who have served the Prince during his decades of public life. This comprehensive profile also reveals the plans for Charles to serve as Prince Regent once the Queen turns ninety–five; how at her insistence he already reads all government briefings; and why he feels it is his constitutional duty to relay his thoughts to ministers in his controversial “black spider memos.” Moreover, King Charles reveals the truth about the Prince’s

relationship with his second wife and chief supporter, Camilla. The result is an intriguing portrait of a man on the cusp of kingship.

A memoir by the mustachioed baseball pitcher who went playing rocky, trash-ridden fields in Castro's Cuba to becoming a Boston Red Sox legend. Luis Tiant is one of the most charismatic and accomplished players in Boston Red Sox and Major League Baseball history. With a barrel-chested physique and a Fu Manchu mustache, Tiant may not have looked like the lean, sculpted ace he usually played against, but nobody was a tougher competitor on the diamond, and few were as successful. There may be no more qualified twentieth-century pitcher not yet enshrined in the National Baseball Hall of Fame. His big-league dreams came at a price: racism in the Deep South and the Boston suburbs, and nearly fifteen years separated from a family held captive in Castro's Cuba. But baseball also delivered World Series stardom and a heroic return to his island home after close to a half-century of forced exile. The man whose name—"El Tiante"—became a Fenway Park battle cry has never fully shared his tale in his own words, until now. In *Son of Havana*, Tiant puts his heart on his sleeve and describes his road from torn-up fields in Havana to the pristine lawns of major league ballparks. Readers will share Tiant's pride when appeals by a pair of US senators to baseball-fanatic Castro secure

freedom for Luis's parents to fly to Boston and witness the 1975 World Series glory of their child. And readers will join the big-league ballplayers for their spring 2016 exhibition game in Havana, when Tiant—a living link to the earliest, scariest days of the Castro regime—threw out the first pitch.

The adored actress behind the character Nikki Newman of *The Young and the Restless* tells all in this scintillating memoir, divulging the insider details of her dramatic life and forty-year career. Melody Thomas Scott admits she is nothing like her *The Young and the Restless* role, which has seen it all in her forty-year tenure on America's highest-rated daytime serial. But the high drama, angst, and catastrophes aren't confined to her character's plotlines. In this captivating memoir, Melody reveals behind-the-scenes tales of her own riveting journey to becoming an icon. As Nikki Newman went from impoverished stripper to resourceful, vivacious heroine—with missteps as gripping as her triumphs—Melody became a household name, enthralling audiences across the globe. But her road to stardom also had to be one to freedom marked by an escape fit for cinema. In *Always Young and Restless*, Melody tells of her troubled, untraditional upbringing for the first time. Readers will learn how she suffered at home with her hoarder grandmother, whose cruelty as her manager is

shockingly extreme; abuse at the hands of industry men; the intensity of acting in feature films with Alfred Hitchcock and Clint Eastwood; and how she finally took control of her life and career, in a getaway move as daring as any on *The Young and the Restless*. And of course, Melody divulges forty years' worth of juicy on-and-off-set details of what it's like to be one-half of the show's most successful supercouple, "Niktor," plus her personal path to healing, love, and family. In witty, warm prose, meet the shining, persevering heart of an American icon—and prepare to be moved by a life story fit for a soap opera star.

A vital guide to the frontlines of our fight against climate change and the scientific and technological innovations that will revolutionize the world. The United States' accelerated plans to combat the existential threat of climate change finally give reason to hope. In *Our Livable World*, research specialist and author Marc Schaus explores the incredible new green innovations in science and engineering that can allow us to avoid the worst repercussions of global warming as we work to usher in a sustainable, livable world. To beat a challenge the size of climate change, our solutions will have to be ambitious: solar thermal cells capable of storing energy long after the sun goes down, "smart highways" designed to charge your

vehicle as you drive, indoor vertical farms automated to maximize crop growth with no pesticides, bioluminescent vines ready to one day replace our streetlights, jet fuel created from landfill trash—and next-generation carbon capture techniques to remove the emissions we have already released over the past several decades. Far from the geoengineering schemes of cli-fi action thrillers, real solutions are being developed, right this moment. Our Livable World features interviews with the innovators, real talk on the revolutionary technology, and a clear picture of a cleaner planet in the future. “An important book that shows the dawn of a new kind of environmental movement?an age where we invest in deeply creative and fascinating technical solutions that work in harmony with the Earth. Marc Schaus lays out the exciting future of environmental innovation before us.” —Katie Patrick, author of How to Save the World

A hilarious and hopeful primer to prevent, combat, and eliminate the suckage in modern marriage by doing it right in the early years, from one of the minds behind the series Sex and the City and the New York Times bestselling authors of He’s Just Not That Into You, It’s Called a Breakup Because It’s Broken, and It’s Just a F***ing Date Some

marriages start out storybook. Perfect proposal, perfect engagement, perfect wedding, perfect honeymoon, and perfect newlywed years. Greg Behrendt and Amiira Ruotola stumbled right out of the wedding gate. Their choices in the early years, they'll tell you, nearly bought their marriage a one-way ticket to Suckville. The New York Times bestselling authors explore all the adventures of early wedlock, from the moment one of you gets on one knee to the day when sex starts to feel like work instead of play. In this guidebook, Behrendt and Ruotola explore their own marriage and, with gleeful candor, tremendous warmth, sharp humor, and piercing insight, look at what we who have decided to "settle down" hope to get out of our most lasting relationship. We venture through volumes on the engagement, wedding planning, the Big Day, the wedding hangover, the (blissful?) first year, the hard work of marrying two lives, fights, and sex-pectations versus sex-pectreality. The perfect book for those who have just put a ring on it or are thinking of putting a ring on it, Behrendt and Ruotola's work is a brilliant guide for the first stretch of that wild ride we call marriage.

A laird and a suspected witch find that love is the most potent of remedies in this sweeping romance from the USA Today-bestselling author. The sweeping historical romance that began with Deception of a

Highlander, and continued with Possession of a Highlander, reaches its dazzling conclusion in this scorcher set on the Scottish plains. Alec MacLean returns home after a decade to find his recently deceased father has let his inheritance fall to ruin. As the new laird, it's Alec's responsibility to rebuild the castle and restore the lands. He must also regain the people's trust after having abandoned them so long ago, a feat not easily done when he fears he's plagued with the same darkness as his father. Celia escaped the North Berwick witch trials at a young age, surviving because of the sacrifice of her beloved caretaker. She's made a life for herself in the wilds of Scotland where no laird rules, a life where she heals for coin, a life without love so she can never feel the hurt of loss again. When the new laird comes back to claim his land, his determination to restore order threatens everything Celia has worked so hard to gain, especially with the undeniable attraction sizzling between them. Together, they will face all challenges, from the tangle of their own damaged pasts to the fire-fueled witch hunts sweeping the Isle of Mull. Together, they will find that the best way to overcome darkness and war is through the undeniable light of love. "Romantic tension is an ever-present force...This tension, coupled with the mysterious witch hunts, is the driving force behind this enchanting series conclusion."—Publishers Weekly

On the 50th anniversary of America's deadliest prison riot comes a prison-guard daughter's quest to uncover the truth about her father's murder during the uprising--a story of crossing racial divides, befriending inmates and correctional officers alike, and challenging the state to reveal and pay for its malfeasance. On September 13, 1971, armed troops and corrections officers at the Attica Correctional Facility in upstate New York slaughtered 29 rioting prisoners and 10 hostages in a hail of gunfire. Negotiations for a peaceful resolution had stalled. The sticking point was the prisoners' final demand: amnesty for their murder of correctional officer William "Billy" Quinn, committed four days earlier during the takeover. Deanne Quinn Miller was 5 years old when her father was killed, the only Attica employee to die at the hands of inmates. For nearly 30 years, authorities attempting to protect law enforcement fed Deanne Quinn Miller lies about Attica, its aftermath, and her father's death. Here she tells of her relentless quest for truth and justice--for herself, her family, and an entire community. After the state settled a long-standing lawsuit with injured Attica inmates by awarding them \$12 million, Miller co-founded the Forgotten Victims of Attica and succeeded in getting the same compensation for the hostages and their families--who had received no support from the state. But the real win

Get Free Esstisch Buche Miv Ausziehbar

was the journey that crossed great divides: befriending infamous Attica prisoner Frank "Big Black" Smith, meeting Richard Clark and other inmates who tried to carry her father to safety after his beating, and learning what life was like for all of the people--prisoners and prison employees alike--inside Attica. As Miller lays bare the truth about her father's death, the world inside Attica, and the state's reckless raid and coverup, she conveys a narrative of compassionate humanity and a call for prison reform.

'Straight Whisky' is the first book ever to chronicle all the music, magic and mayhem of the Sunset Strip. Erik Quisling and Austin Williams have created a unique multi-levelled portrait that is unlike any other rock book on record. With its sweeping historical analysis and down and dirty details, 'Straight Whisky' pulls no punches and leaves no stone unturned. Quisling has drawn upon extensive research to chronicle the ways in which music on the Sunset Strip has both shaped and reflected the American experience since 1964. Williams has chosen sixteen of the most memorable events from the period and developed them into dramatic narratives that offer an intensely intimate view of this incredible story. Together, along with dozens of rare photos and original interviews with the rock stars who were there when it all happened, these perspectives provide a comprehensive look
