Every Day is a Holiday is a quirky book where the author celebrates the random holidays that make up the year... like Bubble-Wrap Day and International Sauntering Day. It is written in the style of a daily journal, which makes the reading a bit disjointed which I found really fun as I read it during my small down times.

Every Day Is a Holiday by George Mahood - Goodreads

Hope you enjoy ☺☺

Katy Perry - Everyday day is a holiday (full audio) - YouTube

Every day is a holiday. When you're the reason, you are the reason. (Reason, reason, reason, reason, reason) We don't need a thing under the tree. Cause you give me all I need. Every day is a holiday. When you're the reason to celebrate. Every day is a holiday. When you're the reason, when you're the reason.

Katy Perry - Every Day Is A Holiday Lyrics | MetroLyrics

National and international funny and wacky holidays and fun celebrations for every day of the year. When is World Lazy Day or Talk Like a Pirate Day?

"...laugh out loud moments on nearly every page..." "...had me laughing from beginning to end..." "...loved the book - funny and engaging..." "...read it, love it, recommend it..." George Mahood had a nice, easy, comfortable life. He had a job, a house, a wife and kids. But something was missing. He was stuck in a routine of working, changing nappies and cleaning up cat sick. He felt like he was missing out on a lot of what the world had to offer. He then discovered that it was Bubble Wrap Appreciation Day. The day after that was National Curmudgeon Day, and the day after that was Inane Answering Machine Message Day. In fact, the calendar is FULL of these quirky, weird and wonderful events. He realised that somebody somewhere had created these holidays, believing that they were important enough to warrant their own official day. Surely he should therefore be more appreciative of their existence? So he decided to try and celebrate them all. As you do. He hoped that at the end of the challenge he would be transformed into a happier, more intelligent and more content person. Follow George on his hilarious, life changing adventure as he tries to balance his normal life with a wealth of new experiences, people, facts and ridiculous situations. It's a rip-roaring, life-affirming, roller-coaster of a ride, where every day is a holiday.

With this resource in hand, teachers and parents will never be without an activity to make the day unique and educational for their children.

From Emmy Award-winning, world-famous magician Penn Jillette comes an irreverent, hilarious, and provocative book of essays—the perfect gift for the skeptic in your life. Let's be honest—nobody has more fun than atheists. Don't believe it? Well, consider this: For non-believers, every day you're alive is a day to celebrate! And no one celebrates life to the fullest like Penn Jillette, the larger, louder half of legendary magic duo Penn & Teller, whose spectacularly witty and sharply observant essays in *Every Day Is an Atheist Holiday!* will entertain zealots and skeptics alike. Whether he's contemplating the possibility of life after death, deconstructing popular Christmas carols, or just calling bullsh*t on Donald Trump, Jillette does not fail to shock and delight his readers. And as ever, underneath these rolling rants lie a deeply personal philosophy and a generous spirit, which find joy and meaning in family, and peace in the simple beauty of the everyday. *Every Day Is an Atheist Holiday!* is a hysterical affirmation of life's magic from one of the most distinctly perceptive and provocative humorists writing today.

Kids love making crafts, and no one knows that better than Heidi Kenney, creator of the popular blog My Paper Crane. In this festive how-to book, Heidi shares a year's worth of classic and not-so-classic projects that the whole family will enjoy, from the National Bird Day embroidered handmade book to the St. Patrick's Day mini leprechaun pin. Fifty fully photographed projects are geared to all age levels and abilities. Some like the New Year's Day newspaper hats are simple enough for small kids to make themselves with minimum assistance, while more complicated projects require a little extra help from mom or dad. With so many fun projects to bring the family together, *Every Day's a Holiday* proves that every day really is a holiday.

A guide to how Kwanzaa, a winter celebration of family, friends, and the African American community, can be part of life all year round provides information on the seven principles and offers ideas for planning Kwanzaa gatherings.

Marines jokingly say that "every day is a holiday, and every meal is a feast" in the Corps, but we all know there is more to it than that. And no, I don't mean "every formation is a parade, and every paycheck is a fortune!" Being a Marine is a tough, but rewarding, way of life, and this fourth installment in the "Sea Stories" series takes a look at a lot of those times - along with a liberal dose of knuckleheads and common sense. If you liked the first three, you'll like this one too!

The mass protests that greeted attempts to open the 1893 Chicago World's Fair on a Sunday seem almost comical today in an era of seven-day convenience and twenty-four-hour shopping. But the issue of the meaning of Sunday is one that has historically given rise to a wide range of strong emotions and pitted a surprising variety of social, religious, and class interests against one another. Whether observed as a day for rest, or time-and-a-half, Sunday has always been a day apart in the American week. Supplementing wide-ranging historical research with the reflections and experiences of ordinary individuals, Alexis McCrossen traces conflicts over the meaning of Sunday that have shaped the day in the United States since 1800. She investigates cultural phenomena such as blue laws and the Sunday newspaper, alongside representations of Sunday in the popular arts. Holy Day, Holiday attends to the history of religion, as well as the histories of labor, leisure, and domesticity.

Mixed Media Masterpieces with Jenny & Aaron by Jenny Heid & Aaron Nieradka Craft One-of-a-Kind Art Journals and Mixed Media Keepsakes Jenny and Aaron of Everyday is a Holiday help you create vibrant art journals and unique mixed media pieces with this easy-to-follow guide.
