Shortlisted for the 2014 Miles Franklin Literary Award
An exhilarating new book from Australia's most acclaimed writer Tim Winton is Australia's most decorated and beloved literary novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Awards for Best Australian Novel, he has a gift for language virtually unrivaled among English-language novelists. His work is both tough and tender, primordial and new—always revealing the raw, instinctual drives that lure us together and rend us apart. In Eyrie, Winton crafts the story of Tom Keely, a man struggling to accomplish good in an utterly fallen world. Once an ambitious, altruistic environmentalist, Keely now finds himself broke, embroiled in scandal, and struggling to piece together some semblance of a life. From the heights of his urban high-rise apartment, he surveys the wreckage of his life and the world he's tumbled out of love with. Just before he descends completely into pills and sorrow, a woman from his past and her preternatural child appear, perched on the edge of disaster, desperate for help. When you're fighting to keep your head above water, how can you save someone else from drowning? As Keely slips into a nightmarish world of con artists, drug dealers, petty violence, and extortion, Winton confronts the cost of benevolence and creates a landscape of uncertainty. Eyrie is a thrilling and vertigo-inducing morality tale, at once brutal and lyrical, from one of our finest storytellers.

When you're fighting to keep your head above water, how can you save someone else from drowning? Tim Winton is Australia's most decorated and beloved literary novelist. Shortlisted twice for the Booker Prize and the winner of a record-holding four Miles Franklin Awards for Best Australian Novel, he has a gift for language virtually unrivaled among English-language novelists. Tom Keely has lost his bearings. His reputation in ruins, he finds himself holed up in a flat at the top of a grim high-rise, looking down on the world he's fallen out of love with. He has cut himself off, and intends to keep it that way, until one day he runs into some neighbours: a woman from his past and her introverted young boy. The encounter shakes him up in a way he doesn't understand and, despite himself, Keely lets them in. But the pair come trailing a dangerous past of their own, and Keely is soon immersed in a world that threatens to destroy everything he has learnt to love. Eyrie is a heart-stopping novel written with breath-taking tenderness. Funny, confronting, exhilarating and haunting, it asks how, in an impossibly compromised world, we can ever hope to do the right thing.

From Tim Winton, Australia's most decorated and beloved novelist and the author of Cloudstreet, comes The Shepherd's Hut, the story of a young man on a thrilling journey of self-discovery in one of the harshest, near-uninhabitable climates on Earth. Tim Winton is Australia's most decorated and beloved novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Literary Awards for Best Australian Novel, he has a gift for language virtually unrivaled among writers in English. His work is both tough and tender, primordial and new—always revealing the raw, instinctual drives that lure us together and rend us apart. In The Shepherd's Hut, Winton crafts the story of Jaxie Clackton, a brutalized rural youth who flees from the scene of his father's violent death and strikes out for the vast wilds of Western Australia. All he carries with him is a rifle and a waterjug. All he wants is peace and freedom. But surviving in the harsh saltlands alone is a savage business. And once he discovers he's not alone out there, all Jaxie's plans go awry. He meets a fellow exile, the ruined priest Fintan MacGillis, a man he's never certain he can trust, but on whom his life will soon depend. The Shepherd's Hut is a thrilling tale of unlikely friendship and yearning, at once brutal and lyrical, from one of our finest storytellers.

An exploration of marriage and the rich relationship that can exist between father and daughter. The Riders is a gorgeously wrought novel from the award-winning author Tim Winton. After traveling through Europe for two years, Scully and his wife Jennifer wind up in Ireland, and on a mystical whim of Jennifer's, buy an old farmhouse which stands in the shadow of a castle. While Scully spends weeks alone renovating the old house, Jennifer returns to Australia to liquidate their assets. When Scully arrives at Shannon Airport to pick up Jennifer and their seven-year-old daughter, Billie, it is Billie who emerges—alone. There is no note, no explanation, not so much as a word from Jennifer, and the shock has left Billie speechless. In that instant, Scully's life falls to pieces. The Riders is a superbly written and a darkly haunting story of a lovesick man in a vain search for a vanished woman. It is a powerfully accurate account of marriage today, of the demons that trouble relationships, of resurrection found in the will to keep going, in the refusal to hold on, to stand still. The Riders is also a moving story about the relationship between a loving man and his tough, bright daughter.

Set on a coastal stretch of Western Australia, Tim Winton's stunning collection of connected stories is about turnings of all kinds -- changes of heart, slow awakenings, nasty surprises and accidents, sudden detours, resolves made or broken. Brothers cease speaking to each other, husbands abandon wives and children, grown men are haunted by childhood fears. People struggle against the weight of their own history and try to reconcile themselves to their place in the world. With extraordinary insight and tenderness, Winton explores the demons and frailties of ordinary people whose lives are not what they had hoped.

Now a Major Motion Picture. Starring Simon Baker, Elizabeth Debicki, and Richard Roxburgh
Breath is a story of risk, of learning one's limits by challenging death. On the wild, lonely coast of Western Australia, two thrill-seeking teenage boys fall under the spell of a veteran big-wave surfer named Sando. Their mentor urges them into a regiment of danger and challenge, and the boys test themselves and each other on storm swells and over shark-haunted reefs. The boys give no thought to what they could lose, or to the demons that drive their mentor on into ever-greater danger. Venturing beyond all caution—in sports, relationships, and sex—each character approaches a point from which none of them will return undamaged.

Winner of The Miles Franklin Literary Award, The Christina Stead Award, WA Premier's Book of the Year, Book Data/ABA Book of the Year Award, Goodreading Award-Readers Choice Book of the Year
Set in the dramatic landscape of Western Australia, Dirt Music tells the story of Luther Fox, a broken man who makes his living as an illegal fisherman—a shamateur. Before everyone in his family was killed in a freak rollover, Fox grew melons and counted stars and loved playing his guitar. Now, his life has become a "project of forgetting." Not until he meets Georgie Jutland, the wife of White Point's most prosperous fisherman, does Fox begin to dream again and hear the dirt music—"anything you can play on a verandah or porch," he tells Georgie, "without electricity." Like the beat of a barren heart, nature is never silent. Ambitious and perfectly calibrated, Dirt Music resonates with suspense, emotion, and timeless truths.

An Open Swimmer, winner of the Australian Vogel Award, is the remarkable first novel by Tim Winton, one of Australia's most loved and respected writers. Jerra and his best mate Sean set off in a beaten-up old VW to go camping on the coast. Jerra's friends and family want to know when he will finish university, when he will find a girl. But they don't understand about Sean's mother, Jewel, or the bush or the fish with the pearl. They think he needs a job, but what Jerra is searching for is more elusive. Only the sea, and perhaps the old man who lives in a shack beside it, can help.

The writer explores his beloved Australia in a memoir that is "a delight to read [and] a call to arms. . . . It beseeches us to revere the land that sustains us" (Guardian). From boyhood, Tim Winton's relationship with the world around him?rock pools, sea caves, scrub, and swamp?has been as vital as any other connection. Camping in hidden inlets, walking in high rocky desert, diving in reefs, bobbing in the sea between surfing sets, Winton has felt the place seep into him, and learned to see landscape as a living process. In Island Home, Winton brings this landscape?and its influence on the island nation's identity and art?vividly to life through personal accounts and environmental history. Wise, rhapsodic, exalted?in language as unexpected and wild as the landscape it describes?Island Home is a brilliant, moving portrait of Australia from one of its finest writers, the prize-winning author of Breath, Eyrie, and The Shepherd's Hut, among other acclaimed titles.
