### E-Z-Go Golf Carts

E-Z-GO was founded in 1954 in Augusta, Georgia. From those early days in a one-room machine shop, E-Z-GO has grown into the world's largest manufacturer of golf cars and utility vehicles. In 1961, E-Z-GO became part of Textron, a global, multi-industry company with market leading operations in aircraft, automotive, industrial, and finance.

There's no hotter place the world than this ice rink! Inori and Tsukasa have formed a partnership. Their goal: The Olympic Games. But in order to garner support, Inori will have to hit it big in her first competition: the Meikoh Cup!

For golf's true enthusiasts, the game is far more—and far more complex—than a simple hobby, commodity, or slice of the sports industry. It is a physical and mental place to be, a community. It has a history, a hierarchy, laws, a language, and a literature. And in Richard J. Moss, it has a chronicler. From its beginnings in the northeastern United States in the 1880s, golf has seen its popularity, and its fortunes, wax and wane, affected by politics and economics, reflecting tensions between aristocratic and democratic impulses. The Kingdom of Golf in America traces these ups and downs, ins and outs, in the growth of golf as a community. Moss describes the development of the private club and public course and the impact of wealth and the consumer culture on those who play golf and those who watch. He shows that factors like race, gender, technology, suburbanization, and the transformation of the South that shaped the nation also shaped golf. The result is a unique, and uniquely entertaining, work of cultural history that shows us golf as a community whose story resonates far beyond the confines of the course. Purchase the audio edition.

When their vibrant 12-year-old daughter is diagnosed with an inoperable brain tumor, Dan and Jen O'Hara prepare for the fight of their lives, and their ultimate loss, in this raw and emotional story that reveals why family, faith and hope are so important in our daily lives. Original.

15 basic target types and strategies for breaking them.

Stuart Baron, a humble Los Angeles trucking executive, endures a near-death experience. He moves his family from an affluent suburb to an Alabama catfish farm with hopes of quenching a midlife crisis. Together with Tabitha, his spell-binding wife, and Winchester, his precocious five-year-old son, he rewrites Murphy's law of catfish farming. Their adaption to the Deep South and the ensuing culture shock is overshadowed by a daunting legacy involving a Mexican drug cartel. In the climatic finale, the Baron family, a quirky DEA agent, and a colorful cast of good ol' boys make for a powerful romp of old-fashioned justice in the backwoods of west Alabama.

Read James Wesley, Rawles's posts on the Penguin Blog In the vein of Sam Sheridan's The Disaster Diaries, a comprehensive guide to preparing for the apocalypse! With the recent economic crisis, formerly unimaginable scenarios have become terrifyingly real possibilities- learn how to prepare for the worst Global financial collapse, a terrorist attack, a natural catastrophe-all it takes is one event to disrupt our way of life. We could find ourselves facing myriad serious problems from massive unemployment to a food shortage to an infrastructure failure that cuts off our power or water supply. If something terrible happens, we won't be able to rely on the government or our communities. We'll have to take care of ourselves. In How to Survive the End of the World as We Know It, James Rawles, founder of SurvivalBlog.com, clearly explains everything you need to know to protect yourself and your family in the event of a disaster-from radical currency devaluation to a nuclear threat to a hurricane. Rawles shares essential tactics and techniques for surviving completely on your own, including how much food is enough, how to filter rainwater, how to protect your money, which seeds to buy for your garden, why goats are a smart choice for livestock, and how to secure your home. It's the ultimate guide to total preparedness and self-reliance in a time of need.
