Chinese Face Reading Level 1 - By White Lotus | Udemy

Chinese physiognomy or face reading (mianxiang) reaches back at least to the Northern Song period. The first indications of a developed physiognomic theory appear in fifth century BC Athens , with the works of Zopyrus (who was featured in a dialogue by Phaedo of Elis), who was said to be an expert in the art.

Physiognomy - Wikipedia

In a previous article, we discussed the notion of health and illness in Traditional Chinese Medicine (TCM). According to TCM, illness arises as a result of specific yin-yang imbalances of the Functional Entities.. The functional entities are: The Five Fundamental Substances: Qi, Xue (Blood), Jinye (Body Fluids), Jing (Essence), and Shen (Spirit).; Zang-fu: A Wu Xing cycle of 5 zang organs, 6 ...

The ancient technique of face mapping could help explain why. Long before there were X-rays, MRIs and other modern ways of "seeing" inside the body, face mapping was used in Traditional Chinese...

An exciting new, full-colour edition of Face Reading in Chinese Medicine featuring over 200 colour photographs and practical instructions on how to conduct a face reading! Face reading has been part of Traditional Chinese Medicine for many centuries, and Professor Lillian Bridges is a popular academic and international lecturer on the subject who gained her fascinating knowledge through her family line of Master Face Readers in China. Based on an understanding of the shapes, markings and features of a face, practitioners can learn about the health and life of a patient relating to the principles of Chinese medicine. In addition to understanding how the body's internal functions - physical, psychological and emotional - can be seen on a face, practitioners can also learn how to evaluate Shen to understand non-verbal expressions. Technical and detailed information is presented in an upbeat, insightful and highly readable manner. This was the first book to focus on the deeper aspects of face reading and diagnosis, this edition includes ancient Taoist knowledge regarding the Original Face and Facial Jing and Qi markers which have previously only been taught through the oral tradition. Clear discussions demonstrate how this technique can be used as a supplement to other diagnostic tools in Traditional Chinese Medicine. Engaging, insightful, highly readable text is written by a well-known and experienced lecturer in the field. Extensive illustrations give you a clear understanding of theories and techniques. A focus on the deeper aspects of face reading and diagnosis helps readers become more conscious of their actions, reactions, and the health consequences of behavior.

Featuring 52 Hollywood celebrity faces to illustrate the secrets of face reading, this intriguing book reveals all the basics of mysterious physiognomy. By looking at a person's facial features, the reader gets a lot of information: personality, qualities, sexuality, popularity, health, life expectancy, etc. It will answer the many questions we all have as to why certain things in life work and others do not, and why our relationships sometimes succeed, sometimes don't. Original.

What if you could tell, just by looking at others, how they tend to think, feel, and behave? What if your partner's face revealed the best way to resolve any conflicts between you? And what if you could discover in your own face the wisdom that you need in order to be the best you you can be? Based on the same ancient foundation as acupuncture and Chinese medicine, face reading has been in the "research and development" phase for over 3,000 years. When translated to make it meaningful for our Western lives, it's a powerful source of wisdom that we can all access. Chinese face reading shows you how to live your life in alignment with your own natural flow, find the life path that gives you joy, attract relationships that nurture you, and most of all, enable you to feel compassion for yourself and others. This book will forever change how you see yourself . . . and all the people in your life!

What if you could tell, just by looking at others, how they tend to think, feel, and behave? What if your partner's face revealed the best way to resolve any conflicts between you? And what if you could discover in your own face the wisdom that you need in order to be your true self? Based on the same ancient foundation as acupuncture and Chinese medicine, face reading has been in the "research and development" phase for over 3,000 years. When translated to make it meaningful for our Western lives, it's a powerful source of wisdom that we can all access. Chinese face reading shows you how to live your life in alignment with your own natural flow, find the life path that gives you joy, attract relationships that nurture you, and most of all, enable you to feel compassion for yourself and others. This book will forever change how you see yourself . . . and all the people in your life!

How often have you taken one look at someone and 'known' that they were not to be trusted? Or conversely, instantly been sure that some new acquaintance was someone who was going to be your friend? You 'know' because you can instinctively see their character in their faces. The art of reading faces has been practiced in China for thousands of years. Now, with the help of this step-by-step guide, anyone can learn how to interpret different facial characteristics and acquire and instant knowledge of a person's character, feelings, hidden desires, state of health, and mood. Everything is written in the face. High cheekbones, a pointed chin, flaring eyebrows or a turned-up nose all have specific meanings. Once you have learned how to interpret them you will gain greater self-knowledge and a deeper understanding of your friends, colleagues and partners. Your new insights will enable you to form more successful relationships and will give you the advantage in business dealings and interviews. You will know at once whether a person is trustworthy or has bad intentions, and your first impressions will be supported by the clear evidence in the face confronting you. Clear and practical, Face Reading includes 180 illustrations showing you all the facial features with detailed explanations of their meaning. Reading faces is entertaining and fun, but it is no mere party game; it will change your whole perception of the people around you as well as yourself.

What if you could learn powerful insights into a person just by seeing his or her face? For 2,500 years, the science of Mien Shiang (pronounced myen-shung), or Chinese face reading, has given anyone who studies its form this incredible ability. Whether working with executives from Fortune 500 firms or reading the nation's top attorneys to choose the ideal juries for their clients, Patrician McCarthy has built a reputation for her ability to help others determine a person's personality, potential, and inherent talents by analyzing his or her facial structure and features. Now McCarthy shares her understanding of this ancient knowledge with readers everywhere. Literally meaning face (mien) reading (shiang), mien shiang is a powerful means of both self-discovery and a way to understand others. Taoist ancients said, "the face is a mirror that records your past, reflects your present, and forecasts your future." McCarthy introduces live essential influences in our lives revealed by the face and enables you to interpret and understand these influences. With the practice of Mien Shiang, you will live in a harmony of mind, body, and spirit.

Everything about Yourself is Written on the Face This book takes you through a guided journey in the ancient art of Chinese Face Reading or Mian Xiang. With superbly realistic 3D-like graphics and entertaining commentaries, this book is the perfect introduction to the powerful and immensely useful art of Face Reading. This handy reference is your go-to guide to read the faces of friends, family or strangers - with astounding accuracy.
