Fashion designers use illustration to express the ideas that they want to capture in cloth. The objective of this book is to provide the reference points and variations that are necessary for learning plane design in a simple and progressive manner.

A comprehensive reference with techniques for drawing fashions. This book describes techniques for illustrating fashion details (referred to as flat or technical drawings). The details cover jackets, overcoats, trousers, skirts, shirts, blouses, dresses, knitted styles, accessories, foot wear, hats, bags, and sport shoes, with special attention to how clothing hangs, moves, and folds when being worn. Each chapter starts with an introduction, followed by images and explanatory captions for each illustration or series of illustrations. With a focus on shape and form, the book illustrates drawing with fine marker and hard pencil.
