methods and techniques of hand-fighting. It is based upon the classic jiu-jitsu but incorporates most recent improvements in the scientific development of modes of personal combat. The first purpose of this book is to develop a technique of disabling and, if necessary, seriously injuring an opponent. The second purpose is to give the reader adequate skill and knowledge in defending himself against an assailant. Includes 200 photographs illustrating jiu-jitsu, wrestling, foot-fighting and police tactics.

In a reprinted edition of a classic instructional book, now with a new foreword, the author presents judo as the art of using all parts of the body to promote general health, covering specific movements and positions and revealing the martial art's potential for improving mental and physical coordination. Reprint.

Judo is known as the gentle martial art, but when two judokas square off, the action is fast and furious. Yet the art and sport forms of judo both require great control and swiftness. Indeed, a key to greatness in the sport is the ability to use an opponent's own strength against him rather than trying to subdue or combat it. Competitive Judo is your guide to developing the technical skills, tactical maneuvers, and proper mind-set to achieve ultimate success in the sport. Master the use of various grips such as the sleeve lapel and double lapel, as well as popular throws such as the leg grab (te waza). The book also details how to set up throw attacks for inducing opposite reaction in the opponent, use stepping patterns, execute combination techniques, and utilize blocks and stumbles. In setting up groundwork techniques, various transitions, combination

ground techniques, and reversals are also covered in depth. Long-time elite competitor and coach Ron Angus covers every facet of being a winning judoka, from scouting your opponent to building strength and speed to recovering. Apply his advice on training and competing, and then experience the excitement of scoring ippon in your next shiai.

Improve communication, resolve conflicts, and avoid the most common conversational disasters through simple, easily remembered strategies that deflect and redirect negative behaviour. Verbal Judo is the martial art of the mind and mouth that can show you how to be better prepared in every verbal encounter. Listen and speak more effectively, engage people through empathy (the most powerful word in the English language), avoid the most common conversational disasters, and use proven strategies that allow you to successfully communicate your point of view and take the upper hand in most disputes.

Each generation produces only a handful of great fighters, and Mike Swain is without doubt one of this generations finest. A former World and Olympic Champion, senior international instructor and authority in Grappling arts, his fame and popularity have come from the perfection of his technique, depth of Jiu Jitsu knowledge, and teaching ability. In this volume, Mike Swain shows the techniques and principles necessary for any student of Mixed Martial Arts to improve the clinch factor. The information is for students of all levels, from beginner to advanced. Learn the Clinch techniques and strategies of a style that changed the world of combat sports. This book, which will raise your submission grappling proficiency to a new plateau, is for all Submission grappling and Mixed Martial Arts practitioners.

An introduction to the techniques of modern judo and their applications plus a short section on traditional judo.
