Adams' celebrated series of books on photographic techniques--has taught generations of photographers how to harness the camera's artistic potential. This time-honored handbook distills the knowledge gained through a lifetime in photography and remains as vital today as when it was first published. Along with visualization, image management, Adams' famous Zone System, and other keys to photographic artistry, *The Camera* covers 35mm, medium-format, and large-format view cameras, while offering detailed advice on camera components such as lenses, shutters, and light meters.

Beautifully illustrated with photographs as well as instructive line drawings, this classic manual belongs on every serious photographer's bookshelf. "Adams is a clear-thinking writer whose concepts cannot but help the serious photographer."

With Sasha as the proclaimed Mage of high ranking power, she can't just slip under the carpet to a peaceful existance. Instead, she must present herself to the Council, a group of white mages who reside over the magical community, governing Stefan's people. There she must prove she has what it takes to be the mage of Stefan's clan, not something easily done. Stefan, too, has been noticed by the large faction of rulers. An alpha leader with a firm hold over his people, he has outgrown in his position, and it shows. Ties to a human mage with a vast well of
